SPECIFICATIONS

Overview

As the Under Armour fishing team's former weapon of choice, this 39' Yellowfin was constructed and customized with no expense spared. She remains in bristol condition and boasts upgrades you will not find on any other center console available. With quadruple 300 horsepower Mercury outboards custom mounted onto Yellowfin's evolutionary hull design, this boat's ride and performance is second to none in any conditions.

Don't be fooled by the California style sun pad or the custom upholstery, this Yellowfin is rigged to fish. With it's highly upgraded electronics package, tuna tubes, and the countless other customized features, this 39' Yellowfin is fully equipped as a proven fishing machine.

Mercury Product Protection Gold Extended Service Plan from March 28, 2016 through March 28, 2018
