ХАРАКТЕРИСТИКИ

Обзор

There is, unquestionably, no finer or more distinctive high-speed luxury motor yacht available on the market today. This multi-award-winning Feadship is truly one of a kind and perfect for the owner who wishes an ultra-pedigree yacht with the option of an extraordinary turn of speed as well as the ability to cruise the Bahamas, the Keys and other beautiful shallow-draft regions of the globe in luxurious comfort. This is a very special impeccably-maintained yacht, with a light and modern interior design by the highly-acclaimed John Munford and built by one of the most respected and renowned shipyards in the world.

1. CONSTRUCTION Aluminum hull, aluminum/composite superstructure, teak decks. This Feadship was designed and built to be a high-speed, shallow-draft yacht of the highest quality and pedigree. Originally built for a world-renowned racing car team owner and manufacturer of DDC-MTU yacht engines. Owned for the last 10-years by a seasoned yachtsman who took great pride and satisfaction in maintaining and updating the yacht to the highest level.
