SPECIFICATIONS

Overview

No Hurricane Damage!

If you are seeking a Sailing Catamaran at a very reasonable price and in very good condition, please take a look at "Winterhaven".

Winterhaven has very good accommodations and electronics, including an autopilot.

You can have a flat sailing and well equipped Cat for the price of a monohull sailboat.

This vessel has ample space and stowage on deck, in the cockpit and down below. A very comfortable and shallow draft design. With a draft of less than 3' "Winterhaven" can go where other sailing vessel's cannot.

The vessels 40 hp. Yamaha outboard can be serviced anywhere in the world. This engine (once the bonnet was removed) appeared brand new. Inspection of the original prop showed very little wear. If in the event something happens to the engine, replacement is simple and straight forward.

Please see full specifications for detailed list of ship's equipment.

Things to Consider

* Flat sailing characteristics and stability. * Beam is only 14' 6". Most slips are 16'. * Canvas full enclosure. Very good condition. * Draft less than 3'. * Bridge clearance 47'. * New 2017: Bottom paint. Pettit ablative anti-fouling. * New 2016: One 12V start battery. * New 2016: Four 6V house batteries. * New 2016: Jabsco electric toilet. * Hard shell dinghy at: 9'4" length. * Integrated fiberglass swim steps with stainless ladder, each hull. * Nice Sailing Cat for the price of a monohull. Boat Name Winterhaven Specs Builder: Endeavour Catamaran Corp.
