Manufacturer: Yamaha

Model: F300

Engine Type: Outboard

DETAILED INFORMATION

Overview

The Yellowfin 32 is a fast, dry, and seaworthy center console whose graceful sheer and meticulous finish set her apart from most anything on the water. The 32 carries her beam further aft than her predecessor to handle the extra weight of modern four-stroke outboards. Her double-stepped hull is fully cored, and the relatively light weight of the 32 makes her an easy boat to trailer.

Standard features include:

- an integrated transom bracket
- recessed bow rails
- walk-in console with marine head
- 55-gallon aft livewell
- large insulated fish box (macerated)
- in-deck storage boxes
- flush-mount cleats
- pop-up bow light
- cockpit lights
- console rod holders
- hydraulic steering
- hard top
- gunnel rod holders
- high performance trim tabs
- 3 Fresh water wash-down

Because each Yellowfin is sold factory direct, a list of add-on's including a coffin

box with cushion seat and deluxe leaning post is available upon request. A fast ride, twin Yamaha 300s deliver a top speed in the range of 55 knots.

Electronics

All New in 2016:
