## Overview

---

Don't miss this one! Lowest priced on the market and turn-key. Owners want to sell fast. Impeccably maintained cruising classic with new windows (replaced because the old ones were crazed--NOT because of water), fresh paint topsides and a 2017 bottom job, a 2017 RIB inflatable on davits, and an extremely comfortable layout. There is a reason why these boats are so wildly popular--they offer a tremendous amount of room for an affordable price, and they are solid and well-built. This gem has 3 staterooms and a salon table that will seat 6. Her cockpit offers a perfect spot for entertaining and lounging. She has all the features of a luxury catamaran for a quarter of the price.

- 27 HP Westerbeke with Sillette saildrive with 705 hours since new!
- All 3 Sails are in good condition
- Auto pilot
- New water heater
- New fresh water pump
- New 9.5' rigid hulled inflatable dinghy 2017

## Accommodations

This Gemini 105M is widely known as just about the most bang for your buck when it comes to space on a small cruising catamaran. A family of four could live aboard comfortably with their own private staterooms (there are 3 sizable staterooms!).

From the full-sized door in the cockpit, you enter the salon and are greeted with a spacious seating area that could comfortably sit 6. The table folds out for larger gatherings. Thee salon is light and airy due to the many (new) windows and hatches.

In the starboard hull, the galley stretches down the middle and the mater stateroom is forward. The large elevated double bed is comfortable and the cabin is well-ventilated. The galley stove is like new, and there is a double stainless sink and plenty of room for the chef! The stand-up 12V refrigerator is in the salon, but is easily reached from the galley.

At the back of each hull are identical cabins complete with double beds, hanging lockers, plenty of ventilation, and lots of storage. The port is lined with storage down the center, and the large head is located in the bow of the port hull. The head is electric-flush and brand new, and the shower line and faucet is brand new.

One can't mention the accommodations of this boat without noting that the cockpit is huge. For a 34-footer, there is a tremendous amount of space. New cockpit cushions give the seating area a fun and fresh look.

You can truly have it all with this boat!

## What she has!

- **27 HP Westerbeke with Sillette saildrive with 705 hours since new!**

- **New solar and wind gen.**
- **500 W Inverter**
- **New hatch and window covers**
- **Much more!!!!**

### Broker's Notes

This boat will not disappoint! She is clean and ready to go, and is only priced so low because her owners are ready to move power. They want her sold FAST. I'm not exaggerating when I say she is ready to go. They've cared for her and equipped her to the max, and have cruised her and enjoyed her and are now ready to go a little faster. She's in the water and easy to view at Halifax Harbor Marina in Daytona. You'll regret it if you don't call about this one!
