SPECIFICATIONS

Overview

“Knotcho” is a fine example of Tiara’s 3700 Open. She is a true dual purpose boat with accommodations and amenities of a family cruiser with the power and cockpit dimensions of a serious sportsfishing machine. The luxurious teak interior is arranged with a private stateroom forward, a U-Shaped dinette, a double entry head with a separate shower, and a roomy galley. In the cockpit, an L-shaped lounge is opposite the helm. The cockpit is very large at 72 square feet giving plenty of room for several fishermen. Her twin 435hp Caterpillar 3208 diesel engines will cruise “Knotcho” in the mid 20’s and reach a top speed of just over 30 knots.
