SPECIFICATIONS

Overview

First in GTT 130 series, Jetsetter is a semi-displacement, all-aluminium family cruiser just below 40 metres. Unlike others, she combines a top speed of 21 knots with an impressive 3,000-mile range, which makes her a versatile yacht perfect for any occasion. Her shallow draft of 1.75 metres (5'9") is ideal for the Mediterranean, Caribbean or Asian islands and gives you even more freedom. Jetsetter complies with the strictest requirements of comfort and safety. It is built in accordance with the latest Large Yacht Code (LY3) commercial regulations. This not only makes her ultra safe but also enables her to charter and earn money for owner. Jetsetter's elevated comfort for passengers and crew is confirmed by the challenging Comfort Class notation of the classification society RINA. In addition this clean and "green" superyacht meets the stringent requirements of the RINA Green Star Plus standard. All spaces from the saloon and wheelhouse to the four guest cabins are designed by the renowned London-based studio Bannenberg & Rowell Design. Exotic natural woods and Italian marbles as well as select loose furniture and accessories from Trussardi Casa complete the rich and comfortable look. Jetsetter is the modern superyacht, embodying all features of Dynamiq's cutting-edge "Grand Touring" concept. Fast, yet remarkably comfortable and power-efficient, she is the best choice for relaxing family cruising or vibrant deck parties. Currently located in the US and available for viewings at short notice, she is listed for sale at 10.900.000 EUR (options included).

Basic Information

Category: Motor Yacht

Sub Category: Semi-Displacement

Model Year: 2017

Year Built: 2017

Country: Monaco

Vessel Top: Enclosed P.H. W/Sundeck

Fly Bridge: Yes

Dimensions

LOA: 128' 0" (39.00m)

Beam: 25' 4" (7.70m)

Max Draft: 5' 9" (1.75m)

Speed, Capacities and Weight

Cruise Speed: 19 Kts. (22 MPH)

Max Speed: 21 Kts. (24 MPH)

Gross Tonnage: 250 Pounds

Water Capacity: 1849.204364 Gallons

Fuel Capacity: 6604.3013 Gallons

Accommodations

Total Cabins: 4

Sleeps: 8

Total Heads: 5

Captain Cabin: True

Crew Cabin: 3

Crew Sleeps: 6

Crew Heads: 3

Hull and Deck Information

Hull Material: Aluminum

Hull Configuration: Semi-Displacement

Rowell

Engine Information

Engines: 2

Manufacturer: MAN

Model: 2x MAN V12-1800, 1324 kW @
2300rpm

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Main Characteristics

Classification:	Built to RINA Pleasure Craft Rules, RINA Green Plus, RINA Comfort class notation, MCA LY3 compliant (short range navigation).
Length overall:	38.60m
Length waterline @ half load:	37.15m
Beam: overall:	7.70m
Draft @ full load:	1.75m
Displacement @ half load:	190,000 kg
Tonnage:	245 GT
Construction material:	Aluminum 5083 H321
Engines:	2 x MAN V12-1800 (1324 KW@2300rpm each)
Propulsion:	2 x Fortjes 4000 propulsion system with contra rotating propellers
Generators:	2 x Kohler 53kW 400/230v 3 phase 50Hz
Fuel Load Capacity:	25,000 liters
Fresh Water Capacity:	7,000 liters
Black/Grey Capacity:	5,000 liters
Max speed (at half load):	up to 21 knots
Max range:	up to 3,000 nautical miles at 10 knots
Paint:	Boero / DuPont
Flag:	Isle of Man
Year Built:	2017
Exterior Designer:	Dobroserdov Design
Shipyard:	Dynamiq

Fore Deck Equipment, Anchor Deck
