DETAILED INFORMATION

Accommodations

Boarding from aft you see wide side decks; as well as, the large center cockpit. The center cockpit has wide seats. The sailing instruments are forward just below of the helmsman's line of sight.

Continuing below, you see an expansive salon. Along the port side is a large settee that can also be used as a pilot's berth, since aft of the settee is the navigation station and storage. On the starboard side is the galley and forward of that is a dinette that converts to a double bunk. Moving forward through this large salon and to starboard is the forward head with shower. A V-berth with a hanging locker is just forward of the head.

The engine and machinery room is located in the center of the vessel. Continuing aft into the master stateroom there is a hanging locker to port with a vanity aft of that. The master berth is full width and includes bookshelves and drawers for storage. Forward and to starboard is a large master head with shower. This is a great live aboard layout.
