## Overview

---

Here is your opportunity to own A Chris Craft large enough to live on yet still able to be handled by a cruising couple. One of only a half dozen 501's built with the galley up, allowing for 4 stateroom, 3 head layout below. The salon/galley area is huge with great visibility – perfect for entertaining! Master Stateroom is full bean aft with king sized berth and head with tub. The remaining staterooms are forward and down of pilot house along with the walk-in engine room.

Current owner purchased this Chris Craft as a floating condo for Florida whereby the entire family of nine can stay comfortably. If the climate controlled pilothouse isn't for you, the bridge offers great views from its elevation, has a full canvas enclosure, full electronics, a wet bar with refrigerator, seating for a small crowd, electric davit and cradle for dinghy.

The Detroit 6V92 diesels have less than 450 hours since being totally rebuilt. The vessel can be cruised at trawler speed for fuel savings or powered up for 15 knot cruise. All electronics are in excellent operating conditions and both upper & lower stations have NEW Raymarine chart plotters. The lower station has been completely redone to remove obsolete electronics and install new. There are endless spare parts included as well as complete owner's manuals & maintenance records. Spare props and spare shaft included.

The interior is fantastic! Upgraded galley with NEW appliances and corian counters. Headliner and valences are new throughout the yacht. All interior woodwork is light oak and a new hi-lo salon table has been added to match. NEW carpets and new furniture throughout. All televisions (4) are new several with built in DVD. Numerous lighting has been upgraded to LED.

Exterior finish is in excellent condition and the limited teak has recently been refinished. There are two Marquip boarding ladders including adapter plate for narrow docks. Glendenning shore power cord retrievers for both the 50 amp cord and storage locker. Spare shore cords and numerous adapters included.

You won't find a nicer live aboard yacht on the market for this kind of price!!

Check her out today, you won't be disappointed and you will see much more than ca be listed here.

# DETAILED INFORMATION

---

## Walk Through

---

Entry to "Eggscape" is easy with a custom side ramp and Marquip ladder stairs for figure docks. Thru the side Pilothouse door, you enter the helm area where access to the bridge is up a ladder on Starboard. Also access to the Galley- up and Salon is convenient. The Master Stateroom is down a spiral staircase on portside offers a king size berth with a full head including a shower with bath. Forward of the helm are 3 Staterooms with 2 additional Head and Engine Room access. There is standing room inside the Engine Room. Very spacious and lots of room. This is a very livable vessel and a rare find.
