SPECIFICATIONS

Overview

Often imitated but never duplicated this original series of Explorers from Marlow Yachts presented the cruising community with an opportunity to own a boat that can be operated by a couple yet offers all the comforts and amenities of much larger yachts which require crew.

TINKERTOY is hull 16 of the Marlow Explorer 65C/70E series of yachts, the most popular of their builds so far. One of the second generation of this series, she was built in Marlow's Tainan City, Taiwan facilities. When introduced at the 2002 Ft. Lauderdale Boat Show, the 70E immediately became the industry benchmark for larger, personal size yachts by offering the interior volume and accommodations of an 80' boat in a smaller, more manageable, size. It presented an opportunity for a couple to cruise with or without crew. By the time **TINKERTOY** was built in 2004, Marlow had taken the knowledge acquired from the first 12 builds of this series, plus the input from their owners, both current and potential, to create generation two of the 65/70 Explorers and she is the 3rd build of that generation. At the owner of **TINKERTOY'S** request lighter woods were combined with the traditional teak interior on the stateroom deck giving her a larger, more open feel below while maintaining the elegance for which Marlow had become known. This deck has generous accommodations for 6 owners and guests in 3 comfortable staterooms. The main deck is home to a voluminous salon for relaxing and entertaining. Just steps up from the salon is the large pilothouse with center helm console and L-Settee to port. The gourmet galley is also in the PH aft of the helm. **TINKERTOY** has many other custom features throughout not the least of which is the separate Master Stateroom entrance making the master suite totally private from the rest of the stateroom deck. In 2014/2015 she underwent a \$500,000.00+ major refit including full exterior paint with Awlgrip T-115 and 2 finish coats of Awlcraft polyurethane topcoat. All her teak decks were replaced and her nonskid decks were renewed. The list goes on and on. Her current owner bought her in May 2016 and continued the tradition established by her 3 previous owners of constant maintenance and upgrades including 2 new air conditioning chillers in 2016 and a new center console tender w/60hp four stroke OB. In addition several appliance were just replaced.

TINKERTOY has been cruised the majority of her life at 9-10 knots or less (approx. 16% load) therefore the total gallons of fuel burned by each engine is a fraction of the fuel burn at the normal high cruise (80% load) allowed by the manufacturer. This should give **TINKERTOY** an effective engine hour equivalent of approximately 2000 hours of use or about 20% of the life of her 800hp CATS 3406E diesels. All her machinery is up to date and her engine services are current.

TINKERTOY is your best opportunity to own one of these legendary cruising yachts in

almost new condition at a fraction of the new build cost and without the 1 to 2 year wait. Her condition is that of a 2 or 3 year old boat yet she is priced below any other Marlow 70E currently available.

Basic Information

Category: Motor Yacht

Model Year: 2004

Year Built: 2004

Country: United States

Vessel Top: Raised Pilothouse

Fly Bridge: Yes

Dimensions

LOA: 70' 0" (21.34m)

Beam: 18' 4" (5.59m)

Max Draft: 4' 5" (1.35m)

Speed, Capacities and Weight

Displacement: 82000 Pounds

Water Capacity: 400 Gallons

Fuel Capacity: 1700 Gallons

Accommodations

Total Cabins: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3406E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Salon/Dining Area

• Ultra leather sofa • Upholstered arm chairs • Hi - Lo Coffee table • 2 Flat screen TVs w/DIRECTV receiver • Bose Lifestyle stereo system w/5.1 digital surround, 5 speakers, subwoofer • (2) decorative table lamps • (6) brass wall lights • Overhead and foot rope lights • Teak & holly sole currently covered with custom carpet. • Overhead teak grab rail

Galley

• (2) Sub Zero 700 series refrigerator drawers • (2) Sub Zero 700 series freezer drawers • Dacor 4 burner electric Ceran cooktop w/fiddles • Dacor electric oven • Sharp Carousel convection microwave oven (new 2017) • Fisher & Paykel Dish Drawer dishwasher (new 2017) • Franke stainless steel undermounted sink w/2 cutting board covers • Grohe pull-out sprayer water faucet • Dedicated drinking water faucet • Filtered drinking water faucet • Granite countertops • Teak louver door storage cabinets & drawers • Exhaust fan • Storage locker in countertop • Teak and holly sole

Pilothouse

• (1) Stidd Admiral Ultra leather helm chair • Port side dinette w/pull out teak table & fold down leaf • Port & starboard articulating water tight doors • Stainless steel & teak floating stairway to flybridge • (2) overhead hatches w/screens • Teak mini blinds • Teak & holly sole under carpet. • Chart drawer & charts • Teak destroyer wheel • AC & DC electrical panels • Stereo speakers

Pilothouse Electronics and Equipment

• (2) Furuno 14" TZT Multifunction displays (GPS, chart plotter, radar, satellite weather requiring subscription, AIS) • Furuno 10 kW, 72 nm radar • Furuno FI-50 depth indicator • Furuno FI -50 wind speed/angle display (true & apparent) • Simrad AP25 autopilot • AIS transceiver • ICOM M504 VHF transceiver/hailer • ICOM Command Mic III remote VHF radio control • Naiad MultiSea II stabilizer controls • KVH TracVison M5 satellite TV system • KVH TracPhone satellite telephone system • Wave Wi-Fi broadband router • ACR searchlight control • Side-Power bow & stern thruster controls • (2) Caterpillar MPD displays • Micro Commander electronic engine controls • Ritchie Powerdamp Plus 6" compass • Trim tab controls • Hart tank tender system

Master Stateroom

- King size berth w/memory foam mattress, upholstered headboard & mirrored aft bulkhead
- Built-in night stands w/ (2) drawers each
- Port & starboard reading lights
- His & hers baths w/shared walk-in shower
- Samsung flat screen w/ DIRECTV receiver
- Teak & holly sole
- Sunken dressing area and vanity
- Asko washer and Dryer (New 2016)

VIP Guest Stateroom

- Queen size island berth
- Built-in night stand counters port & starboard
- (2) brass reading lights
- Under berth storage drawers
- Overhead storage lockers w/louver doors
- (2) cedar lined hanging lockers
- (2) Overhead hatches w/screens
- Ensuite bath w/stall shower, vanity, marble counters
- Samsung Flat screen TV
- Teak & holly sole

Guest Stateroom

- Upper & Lower crossed twin berths
- Cedar lined hanging locker
- (2) port lights w/curtains
- Built-in vanity
- Samsung
- Ensuite bath w/stall shower, vanity, marble counters
- Teak & holly sole

Laundry

- Asko full size washer and dryer (New 2016)

Crew Area

- Double berth w/memory foam mattress
- Toshiba 15" LCD TV/DVD combo w/DIRECTV receiver
- Hanging locker
- (3) storage lockers
- Wet head w/hand-held shower, marble counters, mirror

Flybridge Navigation Electronics and Equipment

- New 17" Furuno Touch Screen TZT BB Multifunction display - December 2017. (GPS, chart plotter, sonar, radar, satellite weather requiring subscription, AIS).
- Furuno RD 33 Multi-function
- Furuno FI - 50+ depth indicator
- Furuno FI - 50 wind indicator
- ICOM M604 VHF transceiver/hailer
- ICOM Command Mic III remote VHF radio control
- Simrad AP25 autopilot control head
- Side Power bow & stern thruster controls
- (2) Caterpillar MPD displays
- Naiad MultiSea II stabilizer control
- ACR searchlight control
- Micro Commander electronic engine controls

Flybridge and Boat Deck Equipment

- (2) Stidd Admiral helm & companion chairs w/footrests, piped ultra leather • Stainless steel 4 spoke wheel • FRP extended hardtop w/powder coated forward supports • Tinted Venturi windshield, stainless steel frame • L-shaped settee w/Sunbrella cushions • FRP 3-sided table on stainless steel pedestal • Miele electric barbecue grill • Stainless steel sink • U-Line refrigerator with ice maker • Aritex 800A, 220V hydraulic davit w/rotation • New Winslow 6-person MK-II SOLAS life raft • Sat 406 EPIRB • Welded 316 stainless steel boat deck perimeter guard rails • Stainless steel radar mast w/integrated anchor light & ships bell • KVH TracVison satellite TV dome mounted on stainless steel bracket • KVH TracPhone satellite phone dome mounted on stainless steel bracket • 13' AB RIB tender with 60 hp Yamaha (new 2016)

Deck Equipment

- Bow pulpit w/ dual anchor chutes & chain stoppers • 60 lb. Danforth stainless steel anchor w/300' high tensile chain • 80 lb. plow style stainless steel anchor w/300' high tensile chain • Lofrans Titan 24V horizontal windlass • Fresh & raw water anchor wash downs • 316 stainless steel bow rail • Teak cap rails • Portuguese bridge w/integrated forward port & starboard seating w/cushions • Portuguese bridge deck storage lockers • Laid teak decks (new 2015) • Full walk-around side decks w/bulwarks • Oval shape 316 stainless steel inboard side deck hand rails • Frameless windows • Textaline windshield covers • (3) windshield wipers w/washers • Port & starboard aft boarding doors • International navigation lights • ACR remote search light • Kahlenberg dual trumpet air horns • Port & starboard transom boarding doors • Molded FRP transom seats w/cushions • (2) folding teak deck chairs • Integrated swim platform w/teak deck • Stainless steel swim ladder • 316 stainless steel rub rail • 316 stainless steel hawse pipes • Hidden fueling ports w/anti-spill catch basins • (4) Glendinning Cablemaster shore power reels

Electrical Equipment

- (1) 20 kW Northern Lights generator w/sound shields (5,106 hours 08/02/18) and (1) 12 kW Northern Lights generator w/sound shields (4,177 hours 08/02/18) • 110V/220V AC electrical system • 12V/24V DC electrical system • (4) Lifeline 8D AGM batteries, service bank • (2) Lifeline 8D AGM batteries, thrusters • (2) Lifeline 8D AGM batteries, generators • (2) Lifeline 8D AGM batteries, main engines • Newmar Phase Three 25 amp, 12V battery charger • Newmar Phase Three, 40 amp, 24V battery charger • Xantrex 4kW inverter/120-amp battery charger • (6) battery cut-off switches • (2) battery parallel switches • (4) 50-amp shore power inlets on Glendinning Cablemaster, (2) forward, (2) aft • Central bonding system • Guest galvanic isolators • (3) Lumitec SeaBlazeX LED transom underwater lights (2015)

Engine Room and Mechanical Equipment

• Twin Caterpillar 3406E diesel engines w/port hrs. 4,103 (08/02/18) and starboard hours 4,105 (08/02/18) (4,000 service completed in May 2016 at 3,950 hours) • ZF 350A reduction gears w/2.636:1 ratios • Naiad stabilizers w/MultiSea II controls • Side Power 20 hp electric bow & stern thrusters • Micro Commander electronic engine controls • Marine Air chilled water reverse cycle air conditioning system, 2 staged chillers, 96,000 BTU total (chillers replaced 2016) • Sea Recovery Aqua Matic 60 gph watermaker w/EZ start (2014) • (2) duplex Racor 1000 fuel filters w/vacuum gauges for each engine • (2) Racor 500 fuel filters w/vacuum gauges for each generator • Walker Air Sep crankcase ventilation system • Dripless shaft seals • Dripless rudder shaft seals • Aquadrive couplings & soft engine mounts • 3" Aquamet 22 stainless steel propeller shafts • (2) 5 blade 38" X 37" Nibral propellers • Polished stainless-steel engine beds • FM 200, 97 lb. fixed engine room fire suppression system • Oil change system for engines, transmissions, generators • Bennett trim tabs • SeaStar hydraulic steering system • Sealand VacuFlush sanitation system • Macerator pump • Sea Chest centralized raw water intake system • (4) 24V automatic bilge pumps • Emergency manual bilge pump • High water bilge alarm • Flojet AC fresh water pump • Headhunter 110V DC & 24V DC fresh water pump • PJR drinking water pump • (2) sump pumps • 100-gallon stainless steel dedicated drinking water tank • 400-gallon stainless steel fresh water tank • Torrid 30-gallon stainless steel electric water heater • NuTone central vacuum system • Power System 110V air compressor • Engine room lead/foam sound insulation • 220V high volume engine room blowers • 24V bilge blowers • Proprietary baffled air inlet system • Watertight engine room door w/inspection port • Varnished teak bilge grating • AC & DC engine room lighting • CCTV camera

Hull and Construction

Marlow Yachts uses the most modern materials and construction techniques including resin infusion, Dupont Kevlar, Vinylester and epoxy resins with high density core materials, resulting in a hull, deck & superstructure with more strength and less weight than possible with conventional methods. While the foundation is a conventional semi-displacement form, Marlow utilizes proprietary "Velocijet Strut Keel" technology. This system uses twin strut keels that surround the propeller shafts in hydrodynamic fairings resulting in improved efficiency, tracking and stability. They also offer running gear protection, and modest propeller pockets keep draft to just 4 feet, 5 inches.

Exclusions

Free-standing umbrella on flybridge. While every effort was made to list all included equipment on board TINKERTOY there are some personal belongings aboard the yacht that are excluded from the sale They include but are not limited to the lamps and

pictures in the master stateroom. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing. Please refer any items in question to the listing broker.

Exclusions

Owner's personal belongings.
