SPECIFICATIONS

Overview

*****Major Price Reduction*** 2 years left on the full CAT warranty, can be extended.**

Don't wait! 27kts at 1650rpms, 31kts at 1850rpms and a ride as good or better than anything out there!! This custom Carolina is big, fast, very efficient and has a fantastic ride. She was built on Harkers Island, NC by Terry Guthrie a respected boat builder with a life time of experience. Powered by 1150 hp CAT C-18s that give her an easy 30kt+ cruise burning just 72 gph! Top end is over 36 kts and 1100 gallons of fuel give her plenty of range.

The nicely finished interior has a 2 stateroom / 2 head layout with 2 additional crew bunks in the companionway. There are 2 large tackle rooms, one with a chest freezer. Features include; Garmin electronics, Eskimo ice machine w/remote control pad, a Teak helm pod, pop up electronics box, EZ2CY style enclosure and teaser reels. A 18kw CAT generator. She's an economical fishing machine with a huge mezzanine cockpit that will get you offshore and back comfortably and dry!!
