SPECIFICATIONS

Overview

This popular and classic Bayliner Pilot House is a great family boat for cruising the coastal waters or inland waterways. Having lived in brackish water for most of her life, she is looking for new owners to up-date, love her and bring it back to its original glory. Fuel efficient Hino (US Marine Power) diesel engines provide a nice cruise while sipping fuel. This three stateroom with two head layout allows for comfortable sleeping for six. A brand new enclosure protects the bridge and the pilot house provides a birds eye view for safe navigation as if your were in the comfort of your own home. This vessel also comes with a tender and outboard which is easily lowered from the davit off the aft bridge. This is a great boat needing some love. Please bring all offers as owner is anxious to sell!
