His 44' are not only a concentrated of technology of absolute avant-garde (the driving seat, entirely electronic and that becomes for three with the use of simple commands, is often used as an example of the most advanced solutions in the boating field), but also the refinement and lifestyle. The owner cabin offers all the comforts of a five stars hotel, including the unique system of rapid refrigeration for champagne and two flutes. The performances are such to allow movements also at long distance with the maximum rapidity and comfort. The presence of a crew cabin, completely independent, makes the Rivarama a yacht almost unique in his category. Unique as all the Rivas.
