SPECIFICATIONS

Overview

The wife says this boat has to go. She only allows one boat at their dock and the owner bought a bigger one. With a custom T top that is longer and lower for better shade and less than 245 hours on her 275 HP Mercury engines, IRISH MISS is ready for many more years of family fun. Fully equipped including the only manual bilge pump ever installed on a 323 (she has two electric ones too) the cushions and T top cover are new. Her dark blue hull is in excellent condition and there is a heavy duty towing eye for use as a tender. Come take a look.
