SPECIFICATIONS

Overview

Developed in collaboration with Venetian Yacht Design this 32 meter displacement yacht has attracted significant client interest. The Filippetti "E series" brings some new styling to the explorer genre of yachting. Built by an experienced team from the latest technology and materials while maintaining easy use for long range cruising. Large volume interior space combined with vast exterior deck areas are excellent in the market comparison. Steel and aluminum construction built to Rina classification C suitable for unrestricted navigation with a build time of less than 24 months. Long range cruising at speeds below 10 knots are very impressive for this size yacht. All information and specifications are preliminary.

DETAILED INFORMATION

Sundeck

The large sun deck has sun shade from the T Top forward and the aft area is open with the option of a soft sun shade cover. The sun deck area has a mix of fixed and modular sun bathing lounges and a large jacuzzi tub fwd with built in sun lounges molded around the tub. A wet bar area with bbq, fridges, icemaker etc, for food and beverage service. The sun deck is considered to be the private area to relax with ample amenities. TV and Audio video will be included in the specified A/V package.

Upper Deck Sky Lounge

The upper deck and sky lounge is all on one level from spanning from aft deck to the forward deck area. The aft deck has a large full beam sun lounge with a large dining table for 10. The aft deck has additional modular furniture with smaller cocktail tables. Moving forward from the aft deck, the upper salon has a large sofa and modular chairs with a large screen TV and sound system. A day head and stairway to the lower deck is forward to starboard. Forward of the salon area is the bridge with the captains cabin to port side. Captains cabin has its own head and shower enclosed. The bridge / helm area has port and starboard access to the side decks leading forward and a sofa on the aft bulk head for guest seating. Storage for electronics and command systems located under the helm and in glass cabinets on the aft bulkhead. Forward of the bridge is another dinette area with settee and hi/lo table for dinner or cocktails. A large sunpad covers the jet ski garage for one ski and the davit. Just forward to the bow area has the anchor winches and anchor chain lockers.

Main Deck

Main deck aft has a large built in settee with two cocktail tables and modular furniture for greeting guests onboard. Stair ways to the beach club are port and starboard and with additional stairways to the engine room and upper deck forward. Moving from the aft deck into the main salon shows a large relaxing area with sofa's and modular seating. A fixed furniture section houses the TV and A/V system. Forward is the large dining table that seats 10 guests. Ample storage is within the built in furniture to port and starboard. The main deck forward has the pantry, laundry and galley to the port side and the stairway to the lower deck and entrance to the owners suite to starboard.

Master Stateroom

Entering the master state room you have an office / foyer with a large hanging locker inboard and a desk to starboard with a large window. The master cabin is full beam with vanity table to port and a chaise lounge to starboard. His and her heads are separated by a large box shower on the centerline.

Accommodations

Accommodations: The E32 has an on deck master suite with his and her head fwd in the cabin and an office to starboard side. Four guest cabins on the lower deck central area of the yacht, two cabins with two single births and two cabins with two double beds. Each guest cabin and has its own ensuite. Guest cabin access is from a large central stairway landing into a foyer area. Crew area lower deck forward with three double crew bunks with adjoining head and shower and a crew dining area. The captains cabin is on the bridge, port side behind the wheel house. Total accommodations for ten guests and seven crew.

Engine room and propulsion package

The engine room is located forward of the tender garage and has a control / storage room to port aft. The engine room will house the main engines, generators and the ships systems. Cat C18 ACERT 500KW with Reinjes gears will power the yacht. Engine room and control room will be insulated with sound proofing materials in order to keep noise and vibration levels to a minimum. All systems will be installed as per the classification society regulations.

Tender garage

The tender garage is aft of the engine room and will load and discharge via the starboard side. A gantry crane will launch and recover the tender and jet ski. Water, electrical and air outlets in the garage with ample storage for parts and toys. Access to the tender garage from beach club area or side deck.

Beach club

A large beach club is accessed from the main deck via stairs port and starboard. The fold down transom door provides the main beach deck and in side the transom is a full wet bar with sink, fridge, icemaker and storage for towels and sun bathing needs. A stand up locker to starboard will hold additional water toys.

Exclusions

Owner's personal belongings.
