SPECIFICATIONS

Overview

CLEAN, SPACIOUS AND READY TO GO ON A CRUISE!

The Silverton 39 Motor Yacht is a culmination of extensive research and modern technology. Below, Silverton has increased the usage of rich cherry woods, created solid cherry raised panel doors, and extended the use of genuine Corian countertops. Top-Grade interior hardware has been installed, and flexsteel sofas and settees are included with Ultraleather surfaces. Up above, the sidewalk system reduces the number of steps, but certainly not the safe and easy access. Top-Grade marine vinyl with Starboard backing and Prefix coatings resist mildew and UV Damage.
