SPECIFICATIONS

Overview

At Last is a 2006 Great Harbour 37. With a three foot draft and stable full displacement hull, she is well suited to all types of cruising. Originally designed with Bahama cruising in mind, Great Harbours have also cruised extensively in rivers and completed the Great Loop. At Last has completed the Great Loop as well as the Down East Loop. Her well-equipped galley, large capacity tankages and "condo feel" make At Last a great option for live-aboards or long range cruisers.

Basic Information

Category: Trawler

Model Year: 2006

Year Built: 2006

Country: United States

Vessel Top: Enclosed Pilothouse

Dimensions

LOA: 37' 0" (11.28m)

Beam: 15' 10" (4.83m)

Accommodations

Total Cabins: 1

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 4JH4E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Great Harbour GH-37 Walkthrough

The Great Harbour 37 can be boarded by ladder to the pilothouse or through port and starboard gates in the aft cockpit. The pilothouse is surrounded by walkways forward and aft, port and starboard. There are port and starboard doors opening to the helm station and a seating and dining area, which converts to a queen size bed and an additional twin bunk. Stairs from the pilothouse lead down to the salon which offers seating, custom dining table, and entertainment center, with access to the stacked washer/dryer along the stairway. Custom aft doors lead from the salon to the isinglass enclosed cockpit with seating and custom table. The engine room is accessed through a hatch in the salon sole. A few steps down from the salon, the galley is located to port with a pass-through opening to the salon. Starboard is a dining or office area and a half head. Continue forward to reach the master stateroom with ensuite head and plenty of storage.

Great Harbour GH-37 Accommodations

At Last offers a standard queen bed in the master stateroom. The seating/dining area in the pilothouse also converts to a queen bed, plus a twin bunk.

Great Harbour GH-37 Pilothouse/Helm

The multi-function pilothouse on At Last offers a captain's chair for piloting the boat along with an array of electronics and navigation equipment. An L-shaped seating and dining area converts to a queen and twin bunk for a guest cabin option. Windows, with custom textra coverings, all around offer a 360 view, the port and starboard doors give access to the Portuguese bridge with opens to the foredeck and walkways aft.

Great Harbour GH-37 Salon and Aft Cockpit

The salon on At Last gives a condo feel with plenty of seating, a custom convertible dining table and built in entertainment center that also houses a tool box. The overhead lighting is augmented by wall mounted lamps in the seating area. There is a pass-through opening into the galley. Multiple windows, equipped with shades and custom valances, allow for plenty of light as do the custom double doors opening into the aft cockpit. The cockpit itself is enclosed with isinglass/screens, offering an alternate dining and seating area. The custom table in the cockpit can be moved into the salon and attached to the salon table for expanded table space. The engine room is accessed through a hatch in the teak and holly sole.

Great Harbour GH-37 Master Stateroom

To port as you enter the master stateroom are the sink and vanity. The vacu-flush toilet and large shower are accessed through a door farther to port. The center-line walk-around queen is forward with drawers, hanging locker and storage bins on both sides, as well as large drawers under the bed. Alley ways for additional storage run on both sides of center with entry hatches in the teak and holly sole. Two port lights on each side, plus the opening, screened Balmar hatch above offer light and ventilation. Reading lamps are located on each side of the bed in addition to the overhead LED lighting. Viewable from the bed is a wall mounted Samsung TV.

Great Harbour GH-37 Galley

The galley is located to port, forward of the salon. A large pass-through opening to the salon allows the cook a connection to guests in the salon.

- Frigidaire 22.2 cu/ft stainless steel side-by-side refrigerator/freezer (Jun 2016 - model FGHC2331PFAA)
- Four burner Kenyon ceramic cooktop (model B44001)
- GE microwave/convection oven (Dec 2013 - model PEB1590SM2SS)
- Cuisinart convection/toaster oven (TOB-260)
- Keurig coffee maker
- Corian countertop with integrated double sink
- Mahogany cabinets and drawers
- Two opening, screened 12" diameter port lights
- Under counter and overhead LED lighting
- Teak and holly sole

Great Harbour GH-37 Heads

At Last offers a full head in the master stateroom with mirrored, Corian topped vanity/sink separated by a door from the vacu-flush toilet and amply sized separate shower. A half head is located adjacent to the starboard dining/office area with another vacu-flush toilet and vanity/sink. Tankage is monitored by a Dometic Tankwatch 4. A Raritan Lectra/San (model LST 12MC) is onboard, but not commissioned.

Great Harbour GH-37 Audio/Visual Equipment

- Retractable 32" Samsung TV in salon entertainment center
- Wall mounted 24" Samsung TV in master stateroom
- 24" Samsung TV in pilothouse (for entertainment and aft and engine room)

cameras)
