SPECIFICATIONS

Overview

This well equipped Albemarle is exceptionally clean with a high level of maintenance performed. The engines, generator and all on-board systems are well maintained and mechanically sound. Engines run strong and have received all recommend Caterpillar maintenance: valve / rack adjustment, raw water system disassembled and cleaned, hydrosonic cleaning of aftercoolers performed, turbos cleaned / checked, all hoses and clamps replaced. No rust - You can eat off these engines! Generator has been rebuilt and runs great. All aluminum and gel coat has been maintained and is in exceptional condition. The 305 Albemarle is a solid, heavy boat with a Modified V Hull, enabling it to handle seas like a much larger vessel! The reverse chine provides stability and allows a much more comfortable drift than other Albemarle models. CALL TODAY TO INQUIRE!!!
