SPECIFICATIONS

Overview

You Dream it. We Find it!

This boat is priced to sell quickly, I'm selling it for a friend whose husband just passed. The hull and twin diesels are in excellent condition. The aft cabin, head and headliner need to be finished. The material is there unfortunately didn't get finished, about a week's worth of work and the boat will be in great condition. What a great boat for the price. Will make an excellent live aboard, cruiser for here, the Bahamas, Caribbean and beyond. This is one of those finds that shows up rarely. If you are in the market don't hesitate come take a look and make an offer.
