Cockpit: Yes

Dimensions

LOA: 52' 0" (15.85m)

Beam: 16' 4" (4.98m)

Max Draft: 5' 0" (1.52m)

Clearance: 15' 10" (4.83m)

MFG Length: 52' 0" (15.85m)

Speed, Capacities and Weight

Cruise Speed: 22 Kts. (25 MPH)

Displacement: 55400 Pounds

Gross Tonnage: 52 Pounds

Water Capacity: 188 Gallons

Fuel Capacity: 1068 Gallons

Accommodations

Total Cabins: 3

Sleeps: 8

Hull and Deck Information

Hull Material: Fiberglass

DETAILED INFORMATION

Overview

Coming from the heart of the Hatteras fleet, the 52 Convertible has always been one of our most generous boats. This broad-beamed, generously-equipped machine has been able to do a lot more in 52 feet than competitive models can manage in 54-55 feet. Its grand proportions topside and below have made it a favorite among the sport fishing fleet. And its functional, strictly business cockpit has helped to make the 52 the most envied boat in this size range. That's why we're proud to reintroduce this classic fishing machine as one of our most attractive convertibles. As generous as ever in cockpit, flybridge and interior accommodations, and now about as fresh as any boat can be. The 52C is a well-balanced, performance-engineered fishing machine. Designed by Jack Hargrave, its modified-vee hull provides stability and poise in a variety of open water conditions, with all the power you need to get out and back in a big hurry.

The cockpit on the 52C is superb. Measuring 12' X 12'9" totaling 153 square feet of work space. This area has been arranged to accommodate their personal needs of even the most esoteric fish hunter. In addition to a standard 30" wide transom gate, the non-skid fiberglass cockpit features a wealth of storage areas. Deckhouse Galley arrangement provides topside food preparation and dining off the salon, and the space for three staterooms below. (Hatteras Brochure 1986)
