Overview

The Navigator 57' Rival bears the proud hallmark of three generations of family-owned boat building excellence. Each navigator yacht is built by hand one at a time - to meet the needs of each owner. Experienced craftsmen create yachts that are not just safe, elegant, and low maintenance, but sold investments from the moment champagne first splashes the bow.

This boat is in Bristol condition, and very well cared for. It's 3 stateroom and 2 heads and shower. The large salon and double doors opening to a large cockpit made this boat very roomy. It is an outstanding value for the condition and all the extras. Meticulously maintained; Bought new in January 2007. This boat is a 10.5 on a scale of 1-10! The owner has purchased a new boat and wants this one gone- no reasonable offers refused!
