## Overview

---

Re-powered with Yanmar Diesels in 2009!

Preliminary Listing

Complete Photos, Specs, and Video Coming Soon!

Second Chance is a rare opportunity to own a re-powered version of the sought after Viking 41 Convertible. Her single stateroom layout features a comfortable and spacious salon, queen size master berth, single head with separate shower, generous galley, new carpets and solid wood flooring, and a u-shaped dinette. She has no exterior wood, and is easy to maintain.

She is well equipped for serious offshore fishing with complete tuna tower, outriggers and center rigger, large fish boxes, and insulated ice storage.

She is a sweet boat, but her new engines are what really make this Viking stand apart from the rest. Her modern Yanmar diesels feature electronic controls, NMEA 2000 CANBUS system, over 2,000 lbs of weight reduction, and more horsepower compared to her original Detroit 6-71's.

Highlights include:

- Twin Yanmar 6LY3-ETP engines with 860 hours w/ NMEA 2000 CANBUS System (NEW 2009!)
- New Yanmars only weigh 1,648 lbs each, compared to original Detroit 6-71TI's, that weighed 2,850 lbs each!
- Dual Electronic Engine Controls on Flybridge and Tower with Trolling Mode
- Kohler 8KW Genset
- Custom Tuna Tower w/ Electronic Engine Controls
- Rupp Outriggers with Center Rigger
- Electronic Engine Guages Display on Raymarine MFD
- 14" Raymarine C140W MFD at Helm
- Raymarine Hydraulic Autopilot
- Raymarine 24NM Open Array Radar
- New Carpets and Solid Wood Flooring (NEW 2015!)
- 16,000 BTU Reverse Cycle Air Conditioning
- Electric Head

- Central Vacuum
- No Exterior Teak!
