Overview

2001 52' BLUEWATER 5200

PERFECT BOAT TO DO THE GREAT LOOP IN! The Bluewater 5200 is like living in a small condo with a great upper helm with all the amenities. There is no comparison with ceiling height and ingress egress to the main salon to a Sea Ray or most other yachts of this size. This Bluewater 5200 Millennium Edition Motor Yacht was designed as a big boat that can go many places even in thin water. Bluewater Yachts are built to be "easy to handle at sea, yet would also be able to be nosed up on a sandy beach." That's what Bluewater founder, Jim Klapmeier, intended and according to reputation that's what he achieved. This 52 is a perfect live aboard with many new furnishings and is turn-key ready for a new owner. Starting at the top we have flybridge with hardtop and custom enclosure. The upper helm station features a hide-away electronics console that disappears when not in use. A full electronics package includes: Garmin 2006C GPS, Raymarine autopilot, Ritchie electronic compass, Raymarine Speed / Depth displays, Back up video camera and display, JVC sound system, and Bow thruster controls.

The aft deck is large with wet bar with grill and refrigerator. There's a large circular guest lounge with table for fresh air entertaining and dining. To either side are stairways down to the main deck and the salon. Aft is sun deck with huge sun pad and a stairway down the cockpit and custom extended swim platform for fishing, swimming, or diving. There is an 11' Novurania center console tender with 25-hp Yamaha motor. A Rule power davits allows easy launch and retrieval. The carpeted salon is open, bright, and inviting. Forward we have the living area with lower helm station, reclining easy chair, and sofa with recliners. Aft we find a breakfast bar with overhead TV and full galley with full size refrigerator/freezer with ice maker, dishwasher, solid surface counter top, electric cook top, double sink, and built-in microwave / convection oven. There is a large wraparound dinette for comfortable dining. There are two staterooms. The forward stateroom has island queen berth, cedar-lined hanging locker, TV, and en suite head with shower. The aft stateroom features queen berth a mirrored vanity, cedar-lined hanging locker, wash/dryer combo, and ensuite head with tub/shower. Sliding door gives easy access to the cockpit.

Powered by twin 370-hp Cummins diesel engines, is equipped with a Onan generator and three air conditioner with digital controls.

She has the accommodations and equipment to serve as a weekend getaway, a live-aboard, or an extended cruiser.

Call now for more information and to schedule a showing of this wonderful, roomy, 52' Bluewater Millennium Edition motor yacht.

Overall

This Bluewater Yachts 52 Millennium Edition has been owned by the same couple since it was one year old. They have employed a professional captain and an open checkbook for maintaining this fine yacht. No expense has been spared. This is without question the finest Bluewater available and a rare opportunity to own a big beautiful yacht without the big yacht price tag!

Like all Bluewaters, this yacht features a massive upper deck perfect for entertaining. The flybridge features a wide helm adjustable bench seat and seating for 14 or more, round table and huge queen size sunpad. A wet bar, Norcold fridge, propane grill and tons of storage round out the massive upper deck. Paradiso also features a custom Isenglass helm enclosure, fiberglass hard top over helm area and the optional extended hard top to keep guests cool and dry. There are custom stainless grab rails installed throughout the upper deck for safety.
