DETAILED INFORMATION

Overview

ISLAND GIRL features the optional and highly desirable cherry wood interior. All cabinet doors are raised panels. The galley counters are granite and the main counter has been extended aft 16" and has a lighted china cabinet with beveled glass inserts and installed on the salon side. Galley and pilothouse floors are Amtico. The dinette table is also granite. The salon has a 42" plasma TV in a custom overhead cabinet that folds down. The air conditioning grills have been eliminated and the AC flows through the slotted valance boards. There are seven additional lights installed above the dining table and three more above the cocktail table. These are in addition to the extensive standard overhead lighting. All carpeting, wall coverings, floors, and countertops throughout were upgraded at the factory along with numerous optional storage lockers throughout. The dining and coffee tables were custom made by AJ Originals.
