## Overview

---

Second Love is a 2006 73 Horizon Motor Yacht powered with Caterpillar C 18 engines. The C 18's provide an economical cruising speed. The current owner has meticulously cared for the yacht since his purchase of the vessel. She is washed every week and detailed on a monthly bases. Every system has been serviced to ensure its in proper working order.

## Basic Information

---

**Category:** Motor Yacht

**Model Year:** 2006

**Year Built:** 2006

**Country:** United States

## Dimensions

---

**LOA:** 73' 0" (22.25m)

**Beam:** 18' 9" (5.72m)

**Max Draft:** 5' 10" (1.78m)

**MFG Length:** 72' 11" (22.22m)

## Speed, Capacities and Weight

---

**Cruise Speed:** 12 Kts. (14 MPH)

**Max Speed:** 20 Kts. (23 MPH)

**Displacement:** 120000 Pounds

**Water Capacity:** 400 Gallons

**Holding Tank:** 200 Gallons

**Fuel Capacity:** 1750 Gallons

## Accommodations

---

**Total Cabins:** 4

**Total Berths:** 6

---

## Hull and Deck Information

---

**Hull Material:** Fiberglass

**Hull Configuration:** Semi-Displacement

---

## Engine Information

---

**Manufacturer:** Caterpillar

**Model:** C18

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Engine Room

---

- Glendinning clutch & throttle controls w/back up system
- ABT stabilizer controls w/cooling pump
- (2) Air conditioning raw water pumps
- Hand operated bilge pump
- (5) Auto/manual bilge pumps
- Freshwater outlet w/valve & hose
- American Bow Thruster reservoir & control panel
- American Bow Thruster power takeoff from port engine
- Bow thruster cooling pump
- Fuel crossover valves
- Start/stop switches w/alarm lights
- Nu-Tone central vacuum unit
- Exhaust/gas separators for generator exhaust
- Mufflers for generator
- Chilled water air conditioning system
- 70.2 lb. FE 241 fire fighting system
- ZF transmissions w/2.517 to 1 ratio
- Steel I beams for engine mounts
- Dual Racor 1500 fuel filters for each engine
- Dripless shaft seals by Tide Strong Seals
- 3 ½" Stainless steel shafts
- Hynautic hydraulic steering
- (2) Racor 500 MA filters for generator
- Backup 24 volt DC freshwater pump
- High volume 115 volt AC freshwater pump
- Hydro pneumatic Well Air pump
- 38 hp ABT stern thruster
- Auto dampers for Engine Room intake vent
- Jabsco engine driven bilge pump
- Charcoal filter in main supply for drinking water
- Dripless rudder seals by Tide Strong Seals
- Engineblock heaters
- Aquamet 22 stainless steel shafts
- Stainless steel emergency tiller steering
- Stainless steel rudders
- Aluminum Diamond deck plates
- Double sound and heat insulated with foam and lead combination
- Stainless steel overhead grab rails on each side of engines
- AC fluorescent lighting

- DC incandescent lighting
- (2) DC engine room blowers
- (2) AC engine room blowers
- Delta T engine room de-mister filter
- Fresh water spigot in engine room
- Heavy duty site gauges for fuel tank with self closing control valve
- Oil change pump for engines and generator
- Y-valve for holding tank dockside pump out
- Holding tank level indicator
- Sump pumps for shower
- (2) 20 gallon hot water heaters
- High water bilge alarms
- Color coded piping
- Bilge air circulation/ventilation fans
- Chilled water Marine Air air conditioning
- Fuel tanks forward in engine room in lieu of outboard of engines

---

## Generator & AC/DC System

---

- Port Onan 21.5 kW generator in sound shield (2293 hrs.)
- SB Onan 21.5 kW generator in sound shield (2731 hrs.)
- (2) 12 volt engine starting batteries
- (2) 12 volt generator starting batteries
- (4) 12 volt house batteries
- Guest battery shut off switches
- (2) Aft connecting 50 amp 250 volt 75' power cords on cable masters reels
- Hubbel telephone/TV connections
- (2) 50 amp ACME power transformer
- Underwater lights
- Seatech built in Smart Y (in boat not on dock)
- Shore power inlets on foredeck
- Color coded wiring
- (2) Trace 4 kw SW 4024 Inverter/120 amp chargers
- GFCI protected outlets as required
- 24 volt to 12 volt converter for electronics
- Electrolysis bonding system

---

## Deck Space

---

- Fore Deck Equipment
- Stainless steel anchor chute with roller and chain stopper
- Fresh water anchor chain washdown

- 150 lb. Stainless steel anchor w/250 feet of chain
- Maxwell 3500 hydraulic windlass w/capstan, wildcat & two dual switches
- American Bow Thruster hydraulic bow thruster
- Fiberglass decks w/non skid
- Raised bulwarks w/oversize welded stainless bow rail
- Courtesy lights, (4) port, (4) starboard
- Port & starboard bow deck hatches to anchor locker
- Bow seat w/Gebo deck hatch to VIP Cabin
- Sun lounge recessed area on trunk cabin w/removable cushions, cover & drink holders
- (2) Storage lockers in trunk cabin, one port, one starboard
- (3) Speich windshield wipers with washer system
- Portside Pantograph door to Wheelhouse
- Port & starboard mid ship boarding gates w/hidden hinges
- Overhead side deck lights, (5) port & (5) starboard
- Stainless steel bow flagstaff
- International navigation lights
- Dual spring line cleats port & starboard
- FRP & stainless steel rub rail upgrade
- Frameless windows with dark tinted 10 mm safety glass

## Aft Deck Space

---

- Teak over fiberglass deck
- Internal boat hook holder
- (2) Stainless steel support posts for boat deck w/boat deck drains within
- (8) Recessed overhead lights
- (2) Overhead stereo speakers
- (2) Aft floodlights in overhang
- Hailer speaker in overhead
- Remote closed circuit TV camera aft starboard at overhang
- Stainless steel sliding door to Salon
- Port & starboard steel sliding door to Salon
- Port & starboard boarding gates w/hidden hinges
- (7) Molded steps w/teak treads to Flybridge w/(5) courtesy lights & handrail
- Steering station in port locker w/clutch/throttle controls, start/stop switches & bow/stern thruster controls
- Storage locker to starboard
- Exterior light switch locker w/GFCI outlet
- High gloss teak hi lo table
- Aft bench seat w/removable cushions, cover & storage below
- Port & starboard stern gate to swim platform
- Extended integral cantilever swim platform w/teak sole

- (3) Oversize stainless steel hoop rails
- Swim ladder concealed in platform hatch
- Centerline hatch in swim platform deck to storage hold
- Hot & cold shower in cabinet
- (4) Molded steps to Aft Deck w/teak treads both port & starboard
- Stainless steel handrails port & starboard at steps
- (5) Port & (5) starboard courtesy lights at steps
- (2) Underwater lights facing aft

## Bridge

---

- Fiberglass deck w/non skid
- Oversize custom Horizon hardtop w/forward facing arch
- Tinted acrylic windscreen
- Helm cover
- Stidd helm chair
- Danforth Constellation compass
- Glendinning clutch & throttle controls
- Stainless steel helm wheel
- Caterpillar digital gauge panels
- Bennet trim tab controls w/position indicators
- ABT bow/stern thruster controls
- ABT Trac stabilizer controls
- Windlass remote controls
- Scroll, low RPM & synchronizer switches
- Start/stop switches
- (2) Stereo speakers
- Indirect lighting under system under wet bar and seats
- Chrome plated Buele air horns on hard top
- Icom IC-M 602 VHF radio w/two way 22 watt hailer
- Simrad AP 25 autopilot
- Simrad IS2 digital depth indicator
- Simrad IS2 digital speed indicator
- (2) Furuno 15" sunlight viewable monitors for radio, chart & cameras
- Sony AM/FM/CD player
- (2) Sanshin ACR type remote spotlights w/control pads
- 24" Throwable life ring
- (15) Adult Type II life jackets
- Flares
- Sun lounge pads starboard side, forward
- Curved bench seating starboard w/removable cushions, storage below, cover & cocktail table
- Hatch & stairs to lower Wheelhouse area

- Wet bar aft of Helm w/sinks, Miele grill, (2) storage lockers & a U Line compact refrigerator
- Stairway to Aft Deck w/handrails & sliding plexiglass hatch
- (6) Overhead courtesy lights in hardtop
- Custom FRP mast w/(2) Trac Vision domes on hard top
- Television antenna
- Air conditioning on Flybridge
- Steelhead Marine 1500 lb. fully hydraulic davit
- 12 kW 6' Furuno radar antenna
- (2) Digital 16" antennas
- (2) Speco 40 watt hailer horns
- Simrad IS2 digital depth display
- Simrad IS2 digital speed display
- Tank tender fuel level indicators
- Bennet trim tab controls w/trim level indicators
- Water tank level gauge
- EZ2CY enclosure three sides, aft side is clear vinyl

## Cabin

---

**Companionway to Accommodations:** Forward and down from the port side of the Wheelhouse are five curved steps to a landing that goes forward to a VIP and Guest Cabin. Two more steps lead aft to the centerline Master Suite. Also in this area are step lights, handrails, a GE stacked washer dryer and bilge access hatches. In the bilge of this area is a 20 gallon hot water heater, a holding tank, macerator discharge pump, and automatic bilge pump and a high water alarm. **VIP Cabin:** Starting forward is the VIP Cabin with a centerline queen size berth with rope and storage below. The upholstered headboard is slightly inset with four mirrored panels and two sconce lights above. Twin built in nightstands are port and starboard. Outboard are three cabinets overhead, each side. Below are twin oval portholes with stainless steel weather covers and two more cabinets below. Aft to starboard is an auto lit hanging locker. To port is access to the forward head. Also in this cabin are six overhead halogen mini spots, two stereo speakers, overhead smoke detector, hatch to bow seat on Foredeck, AM/FM/CD player, digital AC control panel, Panasonic Hybrid phone, and Sharp Aquos 15" LCD TV. Below the sole of this cabin is the bow thruster, its hydraulic pump, a hydraulic windlass pump and a ten gallon hot water heater. **Forward Head:** The spacious Forward Head serves both the Forward VIP and the Starboard Side Guest Cabin. There are two entrances, one from the VIP and the other from the Companionway. The sole is a marble slab with contrasting border. The bow front vanity has storage below, an under mount china sink below a marble countertop. A medicine cabinet and oval porthole with a weather cover is above. The toilet is a Head Hunter Royal Flush model. The stall shower has two clear glass doors, light and exhaust blower. Also in the head are three overhead halogen mini spots.

---

## Starboard Guest Stateroom

---

Across the Companionway is the Guest Cabin with twin lower berths with storage and rope lighting below. One large upholstered headboard stretches between the berths and over the centerline nightstand with two storage drawers. At the foot of the outboard berth is a full size hanging locker with auto light. Also in this cabin is a Sharp Aquos 15" LCD TV, AM/FM/CD player, two stereo speakers, two reading lights, smoke detector, Marine Air digital AC panel and two stainless steel portholes with weather covers over the outboard berth.

---

## Master Cabin

---

Located centerline of the yacht this cabin offers maximized beam, a quiet and stable ride and the highest level of fit and finish. Entering from the forward end, there is a king size berth on centerline with rope lighting and abundant storage below. The large upholstered headboard sits upon a five panel mirrored bulkhead with two sconce lights. Above the berth is a raised tray type ceiling with rope lighting, high gloss trim and smoked mirrors. To starboard starting aft is a walk in locker with a safe, cabinet with AM/FM/DVD system and a satellite receiver. Next forward is a two person settee with storage below. Furthest forward is a vanity and additional storage lockers above. The forward bulkhead has a Sharp 32" LCD TV built into the wall. To port is additional cabinetry and several drawers. The portholes in the Master are custom enlarged vertical ovals with stainless steel weather covers. Also in the Master Cabin are several overhead halogen mini spots, two overhead stereo speakers, smoke detector, digital Marine Air AC controls and accent rope lighting.

---

## Master Head

---

The Master Head is entered from the aft starboard corner of the Master Cabin. The sole is marble slab with a contrasting border and brass inlay. The twin bow front vanity has storage below, two under mount china sinks and a marble countertop. There are ample mirrors and medicine cabinet storage. The Head Hunter Royal Flush toilet is centerline in its own enclosed room with a stall shower to port. The shower fixture is hand held or wall mountable, the shower has a clear glass shower door and a marble tile sole. Also in the Head are three overhead halogen mini spots, exhaust blower, oval stainless steel porthole with weather cover and additional storage.

---

## Aft Companionway

---

The Aft Cabins of SECOND LOVE are accessed via eight curved, lighted steps from the aft port corner of the Salon. The main ship's electrical panel is in the curved stair companionway. At the bottom of the stairs is the Engine Room access with dogable

door. To starboard is the dedicated Equipment Room with many heat sensitive components located out of the hot Engine Room. Going aft is a GE Spacemaker Laundry Center, a Sub Zero compact freezer, a U Line refrigerator, a GE microwave oven, sink and vanity and a unique fold down Pullman both for a part time crew member as needed. Access to the swim platform is up three steps through a watertight door. The Rudder Room is below.

---

## Aft Cabin

---

Located in the area behind the Engine Room but finished just as nice as the rest of the yacht is the Aft Cabin. Two berths are located aft with a nightstand with two drawers between and hanging locker above. Also in this area are three overhead halogen mini spots, two stereo speakers, two portholes with stainless steel weather covers, Sharp LCD TV digital AC controls and two reading lights.

---

## Aft Head

---

Like the yacht's other Heads, the sole is marble. The bow front vanity has a china under mount sink on a marble counter top. The toilet is a Headhunter Royal Flush model. Also in the Head is a stainless steel porthole with weather cover, exhaust blower, three overhead halogen mini spots, a medicine cabinet and additional storage in the vanity.

---

## Bridge Helm

---

- Teak & holly sole
- Vinyl overhead w/(3) overhead lights
- (2) Overhead stereo speakers
- Danforth Constellation compass
- Teak helm wheel
- Clutch & throttle controls
- Closed circuit TV monitor w/Elbex automatic sequential switcher panel
- (2) Caterpillar LCD digital engine monitor displays
- Nav Net 10.4" color LCD monitor for chart plotter w/C map cartography
- Nav Net 10.4" color LCD monitor for 72 mile black box radar
- Furuno Nav Net black box sounder w/dual frequency transducer
- Simrad AP 25 autopilot w/RPU 160 steering pump
- ICOM IC-M 602 VHF radio w/2 way 22 watt hailer
- ABT bow/stern thruster controls
- Simrad IS2 digital depth indicator
- Simrad IS2 digital speed indicator
- TRAC stabilizer controls
- Mastervolt inverter control switch

- Tank tender fuel level indicators
- Bennett trim tab controls and indicator panel
- Water tank level gauge
- (2) Sump pump switches
- (5) Bilge pump switches
- Scroll, low RPM & synchronizer switches
- Start stop switches
- (3) Wiper control switches w/crasher
- Vessel schematic w/indicator lights for pumps & nav lights
- Stidd helm chair

---

## Galley

---

One step up and just forward of the salon is the open galley. The sole is teak and holly. The countertops are granite. The galley is U-shaped off the starboard side of the yacht. Equipment includes:

- Double stainless steel sink
- GE full sized dishwasher
- GE Profile 4-burner Ceran top glass cooktop
- GE built-in undercounter oven
- GE Profile microwave/convection oven with exhaust fan and work light
- SubZero refrigerator with two freezer drawers with cherry paneling
- (4) overhead lights
- Overhead stereo speakers
- Assorted cherry front doors and cabinets

Forward of the galley but open to the area is a small cherry table and C-shaped settee to seat four. **Day Head:** Opposite the galley nestled under the stairs to the Flybridge is the Day Head with a granite tile sole, granite vanity with porcelain sink, Royal Flush Head Hunter toilet, exhaust fan and a mirrored medicine cabinet.

---

## Main Cabin

---

SECOND LOVE may be the perfect blend of style, function and dependability. Stepping onto the oversized swim platform from either port or starboard one can walk up four curved teak steps on either the port or starboard side. The aft deck is entered via hinged stainless steel gates. The spacious aft deck offers a teak inlay table, bench seating and loose teak chairs. The Salon is next forward with a wrap-around settee to starboard and the yacht's entertainment center to port. Forward and up are steps to the yacht's open galley, day head and wheelhouse area with curved settee. The accommodations are forward and below with a VIP cabin forward sharing a head with the twin berth guest cabin. Next aft is the full beam master with walk-in closet and

oversized bed. From the rear of the salon, one can enter the aft cabin and engine room area. The aft cabin can be utilized for crew or guests. There is a fold down berth in the utility area. The flybridge is accessed by either interior steps or aft deck steps. The flybridge has a centerline helm, curved settee with table, wet bar, refrigerator, grill and an area for a tender or two jet skis. **Salon:**Stepping inside from the aft deck through the Trend sliding stainless steel door with full drapes is a cabinet to starboard with a hidden U-line refrigerator with icemaker below and custom locker above with assorted stemware fiddled in Lucite shelves behind an etched glass door with lighting within. Next forward is a huge U-shaped, off white leather sofa with loose pillows to seat six to eight people. In front of the sofa is a cherry and smoked glass coffee table with two small stools that match the sofa below the table top. To the portside is a two person love seat in matching off white leather. Flanking the love seat are cabinets with a Sony DVD player, a Denon AM/FM receiver, SeaTel antennae control panel, the salon's Direct TV receiver and one of the yacht's DC electrical panels. Behind the love seat is a 42" NEC HD Flatscreen TV on an electric TV lift. The overhead has a custom ceiling inlay with a lighted, mirrored tray ceiling and high gloss cherry trim. Also in the salon are five stereo speakers, subwoofer and burlwood columns that accent the high gloss cherry joinery.

## Exclusions

---

Owner's personal belongings.
