SPECIFICATIONS

Overview

Moonshine is a Tom Fexas design and is in excellent condition for her age. Second owner is now offering her for sale and she is in good mechanical condition and ready for a cruise. She offers a great layout with crew forward allowing plenty of space for the engine room aft making it easy to service her CAT 3412's and Northern Lights generators. This layout is also a great owner operator yacht as the forward crew can be used as extra guest area with 2 additional staterooms and office making this a 5 state room yacht. She is US duty paid and available for all buyer's. Moonshine is ready for viewing in beautiful Charleston SC.

DETAILED INFORMATION

Overview

Moonshine is a great opportunity to purchase a two owner boat. She offers a great layout with crew forward, or if an owner operator, it is a 5 stateroom yacht. This lay out allows plenty of space for the engine room aft making it easy to service her CAT 3412's and Northern Lights generators. This layout is an owner operator's dream as the forward crew area can be used as extra guest area with 2 additional staterooms and a spacious office. She is US duty paid and available for all buyer's. Moonshine is ready for viewing in Fort Lauderdale Florida.

Salon

The main salon is accessed from the aft deck where you will pass through a glass sliding door with a polished stainless steel frame. As you step into this very spacious area one will immediately notice the large windows to the port and starboard side giving a great view while either sitting or standing. The port side of the salon has a freestanding sectional sofa. Window treatment with Hunter Douglas Duet shades and valance. In front of the sofa is coffee table chest for storage. To the starboard side, a custom cherry television cabinet with two upholstered chairs on either side of the television. The audio visual cabinet just forward of the TV includes:

- Mitsubishi VHS
- New Denon bluetooth stereo receiver
- New Sony 250 CD changer

Dining

Forward of the main salon is the dining area with a free standing solid cherry wood table with seating for eight. There is a built in buffet for storage with a black granite top accented by two pillars and a mirrored accent panel. To the starboard side, just forward of the dining area is a wood spiral stairway leading up to the flybridge and down to the master and two guest staterooms.

Galley

Forward on the main deck is the large open country galley with a bar height eat in countertop and two bar stools. To the starboard is a country dining area with built in upholstered L-shaped seating and storage underneath. The sole is solid teak & holly. The cabinets are a cherry wood and the countertops Corian. There is a lot of natural light through the forward windshield and surrounding windows. A small folding flat screen TV mounted under the cabinet lets the chef enjoy entertainment while preparing meals. Full size stainless steel appliances make this galley

as functional as your home.

- Whirlpool Refrigerator and Freezer with ice and water in door
- Frigidaire SS oven & flat glass stove top
- Fisher Paykel upper & lower dishwasher backsplash unit - Upgrade
- Kitchenaid Microwave oven overhead
- Cherry cabinets
- Large spare pantry in crew area - Upgrade
- Coffee maker
- Faucet, Double SS sink and instant hot water

Day Head

Just forward of the spiral stairs and opposite the galley on the main deck, is the day head with a cherry wood pocket door and a window for natural light. The granite countertop is complemented by the nickel plated sink and wallpaper. Granite sole with mother of pearl inlay. The head system is Galley Maid throughout. Ventilation fans in all heads.

Pilothouse

The lower helm station is located just forward of the galley and has a sidedeck access both port and starboard. The electronics include:

- Simrad EQ33
- Garmin GMI 10
- Northstar 962
- Furuno radar 72 mile
- B & G Speed & Depth
- B & G wind
- Robertson autopilot AP 20
- Sea 857 Hailer
- Remote for watermaker
- 12V electrical
- Sony CD radio
- Camera for engine room and aft deck
- Ships security system
- ICOM304 VHF
- SAT TV with 4 decoders (master, salon, crew, staterooms)
- Hynautic power steering
- Single lever controls @ three stations (aft deck, flybridge and forward)
- Bow thruster is a 25 HP Naiad hydraulic PTO type driven off generator
- In house phone system
- Dual ACR spotlight controls

- Analog Gauges with Cat monitors
- Both closed and open array radars (Garmin & Furuno)

Master Stateroom

Following the stairs down from the dining area you will arrive at an elegant marble foyer with access to the master, VIP and twin guest staterooms. The master is full beam stateroom with a king size bed, mirrored headboard, fitted bed covers and accent pillows. Appointed with cherry wood and sapele inlay. This spacious master has plenty of storage in the cedar closets and drawers with a safe in the closet. An upholstered settee with storage is to the port side. The forward bulkhead houses the television, stereo, receiver and DVD player. The master ensuite features a his & her head with a large luxurious marble walk through shower for two with double shower heads. To the starboard is a jacuzzi tub. The floor is marble, the wall surface is in a light colored textured covering, ceiling has recessed lighting and ventilation fan. Emergency access out aft through the engine room.

VIP Stateroom - Port

The portside VIP stateroom has a queen berth with a cherry night stand, custom bed covers, window treatments, valance. There is a large hanging closet with full length mirrored door, adjacent is a cherry corner cabinet, fabrica carpet, entertainment system 11" JVC with VCR combo, receiver, recessed overhead speakers, intercom telephone system. Satellite television. The VIP head is tastefully decorated with designer slate green stone sole, cherry wood, and avonite counter tops with recessed lighting, sink, vanity, shower, head and ventilation fan. Full size stall shower.

Guest Stateroom - Stbd

This guest stateroom features twin berths port and starboard, designer fabric bed spreads matching window treatments, valance, carpet, hanging closet, drawer storage. Entertainment consists of 11" JVC, VCR combo, with CD radio with recessed overhead speakers. Satellite television. The guest head is tastefully decorated with blue designer stone sole, cherry wood and avonite counter tops with recessed lighting, sink, vanity storage, full size stall shower, head and ventilation fan.

Crew Quarters

The forward centerline stairs lead down to the crew foyer area. For owner operators this area gives 2 extra stateroom making this a 5 stateroom yacht. This area was customized with a 6 cabinet storage unit for pantry, cleaning supplies, spare parts, etc. A great asset to the boat! Another added feature to this area is a brand new spare freezer. The washer & dryer is starboard

to the freezer. The forward cabin has a double berth, cherry wood cabinets for storage, private head, shower and sink, hanging locker with full length mirror on the door, JVC & VCR combo with built in speakers. Alpine audio system. The walls and ceiling are Majilite with recessed lighting. The forward head is private with a large stall shower, sink, vanity cabinet, storage below and drawers. The ceiling has recessed lighting and ventilation fan. The crew/guest cabin to starboard has an upper and lower berth, cherry wood, private head, shower and sink. Hanging closet, drawer storage, and full length mirror, matching custom bed spreads, new carpeting and Majilite wall and ceiling coverings with recessed lighting. The ensuite head is private with a large stall shower, sink, vanity cabinet, storage below and drawers. The ceiling has recessed lighting and ventilation fan. Marble flooring.

Fly Bridge

You can access the flybridge from either the aft deck or the interior spiral wood stairs. There are port and starboard L-shaped settees one with a fiberglass "coffee table" and one for dining. In addition there is a fiberglass bar top facing forward with 3 bar stools. There is a retractable Bimini top with full enclosure for the flybridge area. The cushions are blue and white all with new canvas covers.

- Portside bar with 3 stools
- Retractable Bimini Top
- Radar Arch
- Starboard wet bar with refrigerator and a brand new Jenair grill
- U Line ice maker
- Bimini with full enclosure EZ2CY forward stratoglass sides and aft curtain
- 1 Stidd helm chair and 1 Stidd Double bench seat
- Lots of storage under the brow and seats

Fly Bridge Electronics

- Standard Horizon VLH-3000
- 8" Richie Compass
- Furuno Radar
- Bow Thruster - Naiad 25 hp, twin propeller
- ICOM M304
- Autopilot Robertson AP-20
- AM/FM CD player Clarion CMD5 with remote, sound system
- (6) Speakers with (2) subwoofers (Kicker Impulse)
- Lights on dimmer
- Analog gauges
- Nautical structures EZ 1500 Davit with power rotation
- Garmin GPS 5208
- Garmin GMI-10

- Garmin GPS 5215
- 2 ACR searchlight remote pads
- New bluetooth stereo and speakers
- Garmin radar

Aft Deck

A lovely feature on the aft deck is the hi/low custom inlaid teak wood table. There is access to the flybridge via a ladder and hatch and a built in fiberglass cabinet for storage and a fridge. Camera, volume control for speakers, overhead lights, boarding gates (port & stbd. side). There is a glass sliding door leading to the salon and a hard top over the aft deck for alfresco dining. Access to port and starboard walk-around decks for ease of maintenance and line handling while docking.
