Overview

The Chris Craft Continental was one of the companies more unconventional designs.

This 39 foot cruiser has a rounded stern, making it stand out in design from the competition. The sunken bow and the sleek Euro design give the Continental a unique appearance. "Sea Cure" has been overhauled and updated by her current owner. She has new Ford engines with under 5 hours on them, updated canvas and new additions to her interior including new gray faux wood flooring. Sea Cure's interior and exterior are in exceptional condition and will make an excellent weekend boat or day cruiser.
