Hull Material: Fiberglass

Hull Configuration: Semi-Displacement

Engine Information

Engines: 2

Manufacturer: Volvo

Model: D-11 IPS 950

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Features

THIS IS A LEFTOVER NEW BOAT THAT WILL BE DELIVERED WITH FULL NEW BOAT WARRANTIES This 60' Cruisers Cantius "TIME TO GO" has been very well maintained and features a great layout with 3 staterooms, full beam master, large salon and galley up with pass through window and 2 bar stools on aft deck. Only 90 hours on the Volvo IPS 950's!

Manufacturer Provided Description

The 60 Cantius from Cruisers Yachts is literally a game changer. The largest of the Cantius line, Cruisers has built a vessel that not only turns heads, but handles amazingly well. When our team test drove the vessel at the factory recently, the boat easily cruised at 30 knots with almost 20 people on board! Needless to say our team was impressed. The inside of the boat feels huge in the 16' beam. The configuration of the sun pad on the bow was a huge hit as the details allow for a more comfortable ride.

Leave it to Cruisers as well to partner with two excellent design firms in addition to their own crew. Facheris Designs in Sarasota, Florida partnered with Cruisers on the exterior while DeBasto Designs in Miami partnered with them on the interior. The collaboration has paid off and we expect to sell several of these boats very quickly once they hit the market.

The new Cruisers Yachts 60' Cantius will become the company's flagship boat and will set the standard for vessels in its class for years to come. Having the cockpit, galley, salon, and helm on one level gives the boat numerous places to entertain while also allowing the captain to be a part of the fun. The aft deck has a large seating area complete with a bar and stools, refrigerator, ice maker, sink, stovetop, storage, and much more. The upper salon offers plenty of seating next to a concealed 50' flat-screen tv that raises out of the cabinetry when in use. To make those starry nights more perfect, there are operable windows on each side of the boat and a sunroof to let in the Seabreeze.

All of the luxuries on the 60 aren't just for the guests, though. The helm station is equipped with STIDD brand chairs with individual arm rests and flip up bolsters. Get ready to rock out as well with an amazing sound system on board including Bluetooth controlled stereos, Polk Audio and three sound bars throughout the yacht. Music and movies are streamed digitally.

A mid-ship full-beam master stateroom provides a walk around king-size berth and port side a large hanging cedar locker and to starboard a breakfast table with seating on either side. Oversized windows let in the natural light not only in the master stateroom, but throughout the entire accommodations. The master head features dual sinks with

designer faucets and a large walk-in shower. The bow stateroom has a queen-size berth, ample storage space, and a private entrance to a VIP head. **Salon** • Settee to starboard with storage underneath • Pop up TV starboard behind settee • Large dinette seating with storage underneath and folding table • Amtico flooring • Hardtop w/ Powered Sun Roof and Shade • Helm Station w/ Double Wide Seat • Large Raised Dinette w/ Table • Huge Windows all Around • Overhead lighting • 12 Volt outlet • Cup holders **Galley** • 2 each Vitrefrigo refrigerators • 2 each Vitrefrigo freezers (1 with ice maker) • 1 each dishwasher • Cuisinart convection microwave • Solid surface Counter Tops • Double Stainless Steel Sink w/ Covers and custom faucet • Two Burner Electric Stove w/ cover • Lots of Storage Space • Electric window with pass through bar to aft deck • Cruisair A/C remote • USB/HDMI plug ins • Overhead lighting • Amtico flooring • 12 volt outlet • Polk Audio head unit **Helm** • Joy Stick Docking • Keyless Ignition System • Stidd electric Double Wide Helm Seat • Tilt Steering • Windlass Controls • Spotlight Controls • Bennett Trim Tab Controls (auto trim and trim light indicator) • Cup Holders • Volvo Digital Engine Monitor • Excellent Visibility • Ritchie compass • Polk audio control • Air Conditioner Vents **Electronics** • 2 each 16" Raymarine Chartplotters with transducer • 1 each Raymarine screen with digital switching for ship systems control • Raymarine 4KW open array radar • Raymarine Autopilot with 2nd control starboard of helm seat • Raymarine VHF Radio • KVH TV5 Tracvision dome **Master Stateroom** • Centerline king berth • Mirrored wall behind berth • Nightstand with storage and lamp each side of berth • Seating with workstation/make-up table to starboard • Storage cabinets and drawers to port • Vitrefrigo refrigerator to port • Privacy Door • Flat Screen LEDC TV • Polk audio head unit • Large windows with electric blinds • Large custom cedar lined closet • Drawers below berth • Cruisair A/C control • 12V Outlets and USB outlet • Entry to master head with separate door for privacy • Designer Bedspread w/ Pillow Shams • Therapeutic Foam Mattress • Overhead lighting • Carpet flooring **Master Head** • Frosted glass door from master • Dometic Electric flush Marine Toilet • Double solid surface sinks and counter with stainless steel faucets • Separate Shower with handheld and Rain shower • Vent Fan • Large mirror over double sinks • Abundant Storage • Amtico flooring • Overhead lighting • Window with blinds to starboard • Towel package – 2 Sets **VIP Stateroom Forward** • Centerline berth forward with custom bedding • Mirrored wall forward over berth • Sky light with Ocean Air blind and screen • Cabinet storage port and starboard • Windows port and starboard with blinds • Overhead lighting • Cruiseair A/C control • Flatscreen LEDC TV • 12v outlet • HDMI/USB plug in • Polk audio head unit • Carpet flooring **Guest Head** • Private entry from VIP • Dometic electric head • Solid surface counter and sink with stainless steel faucet • Separate Shower Stall with rain shower • Vent Fan • Abundant Storage • Overhead lighting • 12V outlet • Window with blinds to port • Amtico flooring **3rd Stateroom** • Bunk beds with lower bed pull out to double bed • Carpet flooring • AC/DC panel • Storage locker aft • Cruisair A/C control • LEDC TV • HDMI plug in • Carpet flooring • Overhead lighting • Sliding doors for privacy from companion way **Companionway** • Wood stairs with rubber treads and stainless-steel railing from salon • Access to day/guest head • Isotherm wine chiller • Washer and dryer to port with counter for folding • Window with blinds to port • 12v
