

ON ORDER — VIKING

Builder: VIKING

LOA: 37' 8" (11.48m)

Year Built: 2018

Beam: 13' 10" (4.22m)

Model: Sport Fisherman

Min Draft: 2' 8" (0.81m)

Price: PRICE ON APPLICATION

Location: United States

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **On Order — VIKING** from **our catalogue**. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on **our sale's list**. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **On Order — VIKING** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

SPECIFICATIONS

Overview

Merging sportfishing history of day boat style and functionality, the new Viking 37 Billfish raises the bar with a contemporary design that delivers better performance, easier maintenance and attractive overnight accommodations. A canyon ready tournament contender, the 37 Billfish is equally at home fishing for sails off Palm Beach and Costa Rica, or chasing giant bluefins off Bimini. With a game-on cockpit, and lower and upper helm stations, the boat is uniquely suitable and adaptable for northern and southern blue-water missions. An open salon layout provides all weather protection, as well as a comfortable environment to relax, a significant element missing from today's wide open large center console boats. Going below, more conveniences abound including an air conditioned galley, a choice of private stateroom layouts, and a generously proportioned head and shower. Fuel efficient diesel power is standard and provides a 30 knot cruise and a top end approaching 35 knots. While aimed at fishermen, the 37 Billfish also is the ubiquitous family cruiser adding to its overall appeal in the Viking tradition.

Basic Information

Category: Sport Fisherman

Model Year: 2018

Year Built: 2018

Country: United States

Dimensions

LOA: 37' 8" (11.48m)

LWL: 33' 10" (10.31m)

Beam: 13' 10" (4.22m)

Min Draft: 2' 8" (0.81m)

Speed, Capacities and Weight

Displacement: 29329 Pounds

Water Capacity: 66 Gallons

Holding Tank: 35 Gallons

Fuel Capacity: 440 Gallons

Accommodations

Total Cabins: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSB-67

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Construction

- Ablative/copolymer anti-fouling bottom paint, 2 coats, primed
- Awlgrip bronze thru-hulls throughout
- Awlgrip anchor locker
- Blister resistant modified vinylester resin in entire hull skin
- Composite bulkheads in select areas
- Custom blended polyester resin used in structural laminates, topsides, bridges and hardtops
- Engine room, lazarette and forward bilge, molded gelcoat
- Fiberglass side thru-hulls
- Fresh water tanks (2), forward and aft, welded aluminum
- High gloss polyurethane boot stripe, premium paint
- High gloss team interior finish throughout, with brushed nickel hardware
- High performance isophthalic gelcoat npg superior gloss, flexibility and outstanding weathering characteristics
- Holding tank, integral fiberglass
- Hull interior, isophthalic gelcoat top coated with a durable high gloss polyurethane coating
- Hull, molded fiberglass construction, using closed cell foam core in selected areas for optimized strength and stiffness while minimizing weight
- Molded fiberglass command deck floor/engineer room ceiling with foam core for acoustic and thermal insulation
- Nonskid for traction and durability
- Stringers, molded fiberglass with integrated wire chases and foam injected in select areas

Mechanical

- 5 port oil exchange system, main engines, transmissions and generator
- Air conditioning - direct expansion single zone with reverse cycle heat for interior climate control
- Bilge pumps linked into monitoring system and connected to float switches for automatic and manual operation
- D/C pressurized freshwater system with cockpit freshwater fill and dockside supply inlet with pressure reducing valve
- Deck pump out fitting and direct overboard pump out for holding tank
- "Delta T" engineer room ventilation system with supply and "Delta T" discharge fans for air supply and water intrusion suppression
- External sea strainers, wedge type, for main engines

- Fire suppression system, automatically or manually operated and tied into main engine and generator ignition systems with override
- Freshwater supply in engineroom for general maintenance and cleaning
- Fuel and oil lines, flexible, steel reinforced USCG approved
- Generator muffler, lift muffler with gas/water separator
- Hour meters on main engines and generator
- Internal sea strainers, basket type, Awlgrip white - generator and air conditioning
- Main engine mufflers, double lift fiberglass with surge protection
- PEX plumbing, freshwater system plumbing with manifold system shut off in engineroom
- Propellers - Class "S" pitch tolerance (ISO 484/2) and dynamic balancing. Advanced designed cambered blade sections for optimum performance. Nibral alloy for maximum durability
- Racor fuel/water separators for main engines and generator clear bowl type, top loading for easier maintenance - includes vacuum gauge for fuel filter restriction, Awlgrip white
- Rudders, bronze, with rudder bearing and dripless thru-hull
- Seacocks, bronze, ball-type sea valves and strainers for all thru-hulls below the water line, Awlgrip White
- Shafts - Aquamet 22, double taper with machined keyway at main engine couplings
- Steering, hydraulic power assist
- Struts, bronze
- Trim tabs, electric, with LED indicators at both helms
- Twin diesel engines with marine grade reduction gears and trolling valves. See manufacturers information for specifications
- Water heater, quick recovery, electric
- Y-valve emergency bilge pumps, 2

Electrical

- 24V DC ship's service throughout
- 24V/12V power supply with breakers on flybridge for future electronics
- 110V outlet in engineroom and under flying bridge helm
- Anchor light/navigation lights, LED
- Batteries, (2) independent 24V banks mounted in fiberglass storage boxes
- Battery charger, dual output with thermal cutoff
- Battery distribution panel with battery cutoff and charging system breakers
- Battery parallel system for main engines and generator start
- Bonded electrical system with ground plate
- Color-coded, labeled and numbered wiring system with corresponding drawings
- Engineroom lights, DC with switch at helm
- Generator, diesel - 9.0kW (R)

- Instrument panel backlights all electrical panels
- Lighting, LED, recessed in ceiling, 24V throughout
- Master electrical control panel located in galley with 24V and 120V circuit breakers, individual switching for shore, or generator supply and gauges for electrical supply, voltmeter, ampmeter and frequency
- Receptacles, 120V duplex with GFCI throughout
- Voltage stabilizer isolation transformer for more consistent, cleaner voltage

Flying Bridge

- Air horns, trumpet style
- Compass, flush mounted at helm, lighted
- Digital depth finder/temperature gauge and ICOM 506VHF
- Engine display supplied by engine manufacturer
- Engine start/stop
- Fiberglass helm pod with stainless steel steering wheel and Palm Beach style controls
- Helm chair, Release Marine, ladder back with 4" pedestal and removable cushions and covers, adjustable
- Instrumentation based on standard engine package
- Power assist hydraulic steering
- Trim tab controls with LED position indicator at helm

Command Deck

- Center engine room hatch
- Compass, flush mounted on centerline, lighted
- Controls: top mounted electronic controls with station select and keypad
- Digital depth finder/temperature gauge and ICOM command mic
- Drink refrigerator, drawer style
- Engine display supplied by engine manufacturer
- Fiberglass enclosure, 3-sided
- Fire system control with automatic and manual discharge and override system located at console
- Helm seating, built in, with backrest and bolstered cushions
- Instrumentation based on standard engine package
- Nonskid on deck
- Overhead lights at helm
- Port side U-shaped lounge seating, with bolstered white vinyl cushions, and fiberglass hi-low table, electrically actuated for engine access
- Power assist hydraulic steering
- Starboard side bench seating with bolstered white vinyl cushions, electrically

actuated for engine access

- Tackle storage cabinets, one under starboard bench seat, one under helm seat
- Trim tab controls, with LED position indicators, at helm
- Windshield, front laminated, sides tempered
- Windshield wiper/washers (2)

Cockpit

- Boarding box, fiberglass with nonskid, lift up top and storage
- Cable TV connection wired to home run, RG TV cable to accommodate satellite system
- Cockpit bait freezer w/upper tray
- Dockside electric connection - 50 amp/220V electric, located under forward gunwale
- Dockside water connection with pressure reducing valve under forward gunwale
- Fishboxes, insulated, port and starboard with hatches and drains plumbed to pump outs
- Freshwater wash down with hose bib located under forward gunwale
- Gaskets for all lids, doors and hatches
- Laminated mounting plate in deck for future fighting chair or table
- Lazarette hatch for inspection of aft bilge
- Live well in molded transom fishbox
- Nonskid deck
- Rod holders (4) stainless steel, flush mounted
- Seat cushions on freezer and tackle locker
- Seawater wash down
- Self bailing cockpit with large cockpit scuppers
- Stainless steel cleats and hawse pipes
- Stainless steel gas springs on deck hatches and lids
- Straps with padding to keep transom door and gate open
- Transom swim steps at transom door
- Tricolor LED lighting under coaming
- Tricolor LED lighting under flybridge overhang
- Walk-through transom door with lift gate

Galley

- Aluminum cabin door, access to command deck
- Countertop, polished Sahara Corian, stainless sink, with satin nickel faucet
- Electric (2) burner recessed stove
- Exhaust fan
- Flooring, Amtico vinyl

- Headliner, Majilite, natural color, 1/8" foam and tricot backing
- Lights, overhead LED lighting
- Main electrical service panel, AC/DC, backlit for easy viewing
- Microwave/convection oven located in upper galley cabinet
- Refrigerator/freezer, under-counter drawer style, with built-in ice maker
- Storage cabinets in upper galley, with varnished doors, finished maple interior
- Storage cabinets and drawers in lower galley, finished maple interior

Master Stateroom Plan A

- Air conditioning with reverse cycle heat and temperature control (services whole interior)
- Bed, island queen, with innerspring mattress, drawers in face, storage underneath
- Bedspread - quilted, designer style with pillows and shams (2), fitted sheet set
- Flooring, Amtico vinyl
- Hanging lockers (2), maple lined with drawer storage below
- Hatch, Bomar, foredeck hatch with screen and shade system
- Headliner, Majilite, natural color, 1/8" foam & tricot backing, throughout
- Lighting, 24V, overhead recessed in headliner
- Portside, rod locker
- Shelf, teak, portside
- Starboard upper storage cabinetry
- Stereo system with speakers, CD/DVD player and flat screen TV

Master Stateroom Plan B

- Air conditioning with reverse cycle heat and temperature control (services whole interior)
- Bed, crossover bunks with innerspring mattress and drawers underneath
- Bedspreads (2) quilted, designer style with pillows and shams, fitted sheet set for each
- Flooring, Amtico vinyl
- Hatch, Bomar, foredeck hatch with screen and shade system
- Headliner, Majilite, natural color, 1/8" foam & tricot backing, throughout
- Lighting, 24V, overhead recessed in headliner
- Shelf, teak, portside
- Stereo system with speakers, CD/DVD player and flat screen TV

Head

- Air conditioning/heat with vent in soffit

- Countertop and sink, polished Sahara Corian, with satin nickel faucet
- Exhaust fan
- Flooring, Amtico vinyl
- Freshwater electric head with holding tank and overboard discharge
- Lighting, 24V, recessed in soffit and headliner
- Lower vanity with storage
- Receptacle, 120V, GFCI protected
- Shower light
- Stall shower, fiberglass with satin nickel fixtures and drain to automatic sump pump in bilge
- Towel bars and rings, brushed nickel

Miscellaneous

- Anchor - constructed with a high-tensile, corrosion resistant aluminum magnesium alloy
- Anchor locker with access from foredeck
- Anchor rode, 200' with 12' chain
- Bow rail, anodized aluminum, rushed finish
- Fire extinguishers - 2 1/2 lb portable (3)
- Freshwater supply in anchor locker for general maintenance and cleaning
- Fuel
- Holding tank monitor
- Mooring lines, braided nylon (6)
- Sacrificial anode on transom
- Stainless steel bow, spring, and stern cleats thru-bolted to backing plates
- USB receptacle (Apple compatible) in staterooms and salon
- Viking one year limited warranty (available upon request)
- Viking Smart Decor package
- Water delivery kit with tool set (N)

Optional Equipment

- Fiberglass hardtop with molded spreader lights
- (5) Rod Rocket Launcher
- Three-sided Costa clear flybridge enclosure with (1) upper vent
- Air conditioning w/reverse cycle heat on command deck
- Costa clear command deck enclosure
- Outriggers, Rupp with spreaders
- Custom boot stripe Viking
- Hull bottom paint TBD
- Hull gelcoat color: Gray Haze

- Glendinning CRM-50 cord reel
- Refrigerated Fish Box
- Rupp Center rigger, mounted to hardtop
- Teak finish fiberglass helm pod
- Decor accessory kit
- S&I Seakeeper SK6
- Eskimo Ice Machine
- Cummins CIJS w/Vetus bow thruster and (2) joysticks
- FB: Release Viking 19x19 Teak Helm Chair with covers
- Teaser Reels
- 13.5KW genset
- Upgrade all exterior cushions to Symphony Classic vinyl IPO standard to include helm U-D and straight settees and mezzanine
- AME electronics

Exclusions

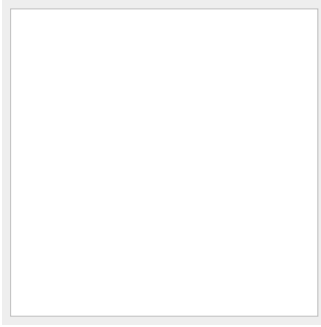

Owner's personal belongings.
