Overview

Above decks and below the Back Cove 34 is ideal for a day with guests or an overnight couples cruise. Below deck is found a large island berth and a convertible L-settee which can be isolated from the cabin with a curtain. A large head to starboard with separate stall shower adds practicality and comfort. The result is a comfortable oasis for owners and their possible guests. The helm deck is airy and bright, with a full galley stretching out aft of the helm seat, opposite a dinette that can comfortably seat four adults. Forward of the dinette, a double mate's seat is a comfortable perch for the navigator. In her cockpit, a large, L-shaped bench seat and a fold-away aft facing seat provide comfortable lounging spots while underway or when anchored in a peaceful cove. Engine access is extraordinary, as the helm deck, including the port side dinette, lifts hydraulically to expose the yacht's mechanical systems below.
