The large salon, dining room, sky lounge, and expansive deck areas insure enjoyable cruising in comfort. Vessel Walkthrough

The foyer will lead you aft to the spacious Main Salon and formal dining area. Looking all the way aft on the port side there is a game table with four upholstered chairs. Moving forward, one finds two comfortable chenille covered sofas on both sides facing each other creating a casual conversation area. A 40-inch PAL/NTSC LCD Flat Screen TV hidden in a cherry wood buffet with granite top (raised and lowered by remote) separates the Salon from the dining area, where the dining table can accommodate 10 guests.

Forward to port is the Galley with plenty of storage and black granite countertops, nicely appointed with stainless steel professional appliances including a six-burner stove with pop up vent. The U-shaped dinette nook has ample seating and is perfect for a casual breakfast or lunch.

Moving forward to the on-deck Master Stateroom you'll find a centerline king-sized bed. The master bathroom has a whirlpool bath, a glass enclosed shower, his and her vanities and Crema Marfil marble tile.

Aft of the Master are mid ship stairs that lead down to the four Guest Staterooms, each with ensuite head and enclosed shower. There are Two (2) king berths and two (2) twin berth staterooms.

Mid ship stairs lead you back up and forward to the Pilothouse where there is semi-circular seating for guests to enjoy the view while cruising.
