## Overview

---

New Listing! This 2010 Markley 35 with triple 300 hp Suzuki outboards was built on a Kinnamon hull laid up by Glann Manning of Cambridge, Md., one of the Chesapeake Bay areas most reputable boat builders. Hulls produced by Manning are one of the most sought after and reliably built vessels in the Bay region. This stylish Chesapeake Bay style deadrise is set up as a day boat configuration with no permanent bulkhead between the cockpit and helm/settee area. This makes for easy transition from the interior of the vessel to the cockpit area. The triple Suzuki's will provide all the power needed for a day on the water. Call to set up an appointment to see this one today!

## Basic Information

---

**Hull Configuration:** Modified V-Hull

---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Suzuki

**Model:** 4 stroke

**Engine Type:** Outboard

**Fuel Type:** Gas/Petrol

---

## DETAILED INFORMATION

---

### Engines

---

The Ultimate 4-Stroke Outboard. Since its introduction, Suzuki's flagship 300 hp V6 has been a showcase for advanced technologies and designs. Two-Way low water pick up inlet provides engine cooling with increased water flow. The DF300AP also features Suzuki Precision Control. This fly-by wire control offers silky smooth shifting and throttle response. The addition of "Suzuki Lean Burn Control" with "Oxygen Sensor" can provide an improvement in fuel efficiency, especially while cruising on the long run home. The Suzuki outboards on this Markley 35 have approx 600 hrs each. The center engine was added in 2017 and is the same year as the port and starboard engines. The powerhead on the center engine replaced in 2017. Three blade, stainless steel props and counter rotation on the port engine. These engines, with their combined 900 hp, provide plenty of power and reliability.

### Electronics

---

Lowrance HDS 10 multi-function marine GPS chartplotter and broadband sounder. Dual requery transducer, NMEA0183 data/power cable Furuno model 1715 Marine Radar Northstar 6000i plotter, radar, sounder. Standard Horizon VHF marine radio Suzuki controls and gauges

### Accomodations

---

Large, open cockpit free of the typical engine box typical of this style boat, moving forward there is a tall bench seat to port, with a settee forward and opposite the helm. A comfortable helm with stainless wheel, easy to reach and see controls and gauges. Teak and holly style sole in the helm and settee area. Forward there is a comfortable V berth and a manual marine head to port. This Markley is in great condition and has a stylish interior, ready to fish and for a day on the water.

### Features

---

Fighting Lady is equipped with a beautiful teak ceiling in the helm and settee area which has multiple overhead rod storage holders. Roll down eisenglass enclosure separates the cockpit are from the helm area while still allowing for air flow on nice days and protection from the elements on harsh days. Multiple gunnel mounted rod holders allow for trolling multiple rods and the use of planer boards. The boat has a stainless steel arch with a radar dome, spot light and mounted horn, gps antenna and vhf antenna. A secondary cockpit helm is located toward the stern on the starboard side and allows

for vessel operation while fishing. Fighting Lady has a drum anchor windlass on a bow pulpit for ease of setting and retrieving the anchor. Large, easy access door in the stern allows for access to the batteries, battery switches and fuel filters. Everything is out of the way but easy to reach.
