SPECIFICATIONS

Overview

This 400 Coastal Cruise is exceptionally well kept! The interior shows like new and offers space and comfort rarely found in a 40' boat. It features two staterooms and two heads complete with separate showers. The cabin interior has high gloss cherry veneered cabinetry with light colored carpet and ultra-leather upholstery on the sofas. This vessel features the highly sought after sky lounge that affords additional space for owners and guest. The upper helm offers a bimini top with full enclosures, ample seating, and a commanding view.

"Smitten" features:

- Twin Cummins QSB5.9-330HP Diesel Engines with V-Drives
- Glendinning- Electronic Controls
- Sidepower- Bow & Stern Thrusters
- Cruise Aire- Air Conditioning & Heating
- This vessel is in "Like New" Condition.
- Freshwater kept.
- New Ice Maker Refrigerator (2017)
- New Ray Marine VHF (2017)
- New 38" Flat Screen TV in Salon (2017)

The hull was designed by Uniflight, creating a hull capable of making the Inside Passage run to Alaska. A shallow draft was a must, as was the idea for protecting the running gear. With a keel deeper than the running gear and props set within half-pockets, Uniflight hit the mark they set for their Coastal Cruiser and the hull is efficient and economical to operate. It features a fine dry entry, a double chine with modified vee after section. DYSID:3142169
