SPECIFICATIONS

Overview

Viking's reputation for building high performance express models maintains its enviable industry leadership with the announcement of the newest entry, the 44 Open. The Viking 44 Open is a fresh design with a resin infused composite hull and a matrix of fiberglass encapsulated stringers, vacuum bagged cored main and intermediate bulkheads, a customized E-glass lamination schedule and infused fuel and water tanks. An aggressive entry with over six feet of freeboard forward rakes overhead seas and its sheer line proudly carries aft with an eye pleasing profile. We invite you to contact us as your Viking dealer and arrange a private showing and sea trial at your convenience.

DETAILED INFORMATION

Manufacture Description

FALL AVAILABILITY Viking's reputation for building high performance express models maintains its enviable industry leadership with the announcement of the newest entry, the 44 Open. By their design, express boats cater to the owner/operator who enjoys his time aboard with family and friends and is content to fish hard on Saturdays and yet be equally accommodating when the family prefers to take to the water for a relaxing cruise. Whatever the game, the new Viking 44 scores points handily and is ready to rack up nautical miles while delivering fishability, accommodations, handling and performance.

The Viking 44 Open is a fresh design with a resin infused composite hull and a matrix of fiberglass encapsulated stringers, vacuum bagged cored main and intermediate bulkheads, a customized E-glass lamination schedule and infused fuel and water tanks. An aggressive entry with over six feet of freeboard forward rakes over head seas and its sheer line proudly carries aft with an eye pleasing profile. The running surface is equally adept with 13.9 degree transom deadrise, and two pairs of lift strakes providing lateral response and tracking confidence in any seaway. We invite you to contact us as your Viking dealer to learn more about this exciting and beautiful new model.
