# DETAILED INFORMATION

---

## Accommodations

---

JANE E features a three stateroom layout that can accommodate up to six plus a crew of two. The master stateroom and two guest staterooms are accessed by a starboard side stairwell located just adjacent to the galley. Travel downstairs to an open foyer.

Aft of the foyer is the full beam master stateroom, featuring walk in closet outboard and a centerline king sized berth. Accompanying bedside tables and reading lights will make nighttime bookworms out of virtually anyone. Flanking the master berth to port and starboard are beautifully crafted drawers with abundant storage. His and hers vanities were an added upgrade aft. The master stateroom is equipped with a complete entertainment system, including a 42" LCD TV with surround sound.

Moving forward of the master stateroom to port is the first of two guest staterooms, with twin double berth featuring an ensuite head. The forward VIP stateroom has a queen size berth and ensuite bath. The two guest staterooms are each equipped with a flat screen TV with satellite access.

## Interior Decor

---

- Sapelli paneling and cabinetry
- Soft vinyl headliners
- Designer pull handles for drawers & cupboards
- Wood window frames and bullnose
- Stainless steel hardware
- Concealed hinges throughout interior cabinets
- Upgrades mattresses for berths

## Salon

---

Walking into the main salon on JANE E through the electric stainless steel framed doors one is instantly struck by the attention to detail and abundant natural light throughout. Having the dining table forward opens up the salon, creating an ultra-comfortable space with a large L-shaped settee, oversized pop-up TV on a remote lift and a wet bar with glass storage and wine chiller. An impressive audio visual system, cocktail tables, and surround sound speakers, is guaranteed to take "movie night" to an entirely different level.

- Day head can be found on port side easily accessible from main salon or galley
- 24V LED lights

- Sakura paneling and cabinetry
- L-Shaped settee
- Cocktail table
- Carpet throughout
- 42" Flat screen TV on electric lift
- U-Line 1000 series 24" wine captain
- Overhead speakers
- Large salon windows offering outstanding viewing while at dock or cruising

---

## Galley

---

Galley is located just forward of the main salon to starboard, and is extremely spacious and thoughtfully laid out. The oversized granite countertop, along with stainless steel appliances, make for a functional and enjoyable environment for owner and crew alike. Equipped with top of the line appliances, including a dishwasher and trash compactor, the galley features:

- JENN-AIR Side-by-side refrigerator/freezer/ice maker 36"
- JENN-AIR Stainless steel microwave/convection oven 30"
- JENN-AIR Stainless steel convection oven 27"
- JENN-AIR Electric four-burner cooktop 30"
- KitchenAid Dishwasher
- Whirlpool Stainless steel trash compactor
- FRANKE Stainless steel double bowl sink with polished chrome pull out faucet and disposal

---

## Dinette

---

Large C-shaped dinette table located to the port side of the helm station, just forward of the galley. You can comfortably seat six with excellent visibility and lighting while anchored at your favorite spot. A chart drawer can be found beneath the dinette for additional storage.

---

## Master Stateroom

---

- King size berth
- (2) Night stands with granite countertop
- 42" LCD TV
- Large credenzas port and starboard
- Built-in safe in hanging locker
- Fixed windows on hull side
- Full-height cedar-lined hanging locker with automatic lights

- Custom fabrics

---

## Master Head

---

- His and hers mirrored vanities
- GROHE polished chrome faucets
- Granite floor throughout head
- Large walk-in shower
- Ample storage
- Techma toilet system

---

## VIP Stateroom, Forward

---

- Queen berth
- Cedar-lined hanging lockers with automatic lighting, port and starboard
- Mirrored headboard
- Custom fabrics
- Drawer below bed
- (2) Overhead hatches for additional lighting
- Flat panel TV
- Ensuite head

---

## VIP Head

---

- Mirrored vanity with storage
- Marble tops
- Wood flooring
- Large walk-in shower

---

## Guest Stateroom, Port

---

- Side by side berths
- Cedar-lined closet to port
- Custom fabrics
- Port hole for added light
- Night stand
- Storage below berths and night stand
- Flat panel TV
- Ensuite head

---

## Guest Head

---

- Mirrored vanity with storage
- Marble vanity top
- Wood flooring
- Walk-in shower

---

## Crew Quarters

---

Crew quarters can be accessed through a hatch on the starboard side of the aft deck or through a watertight transom door from the swim platform. Given the generous amount of space for crew including a small kitchenette, the crew quarters can easily be used for additional guests if needed.

- Single cabin with over under bunks
- Cedar-lined hanging locker with automatic lighting
- Kitchenette - sink, microwave, refrigerator with ice maker
- Storage locker
- Drawer under bunk
- Head with stall shower
- Microwave oven
- Amtico flooring

---

## Flybridge

---

The flybridge can be accessed from the aft deck or from inside the boat through stairs located on the port side of the galley. The upper helm is equipped with redundant electronics to the lower station with (3) Stidd Chairs. To starboard is a large dining table with wrap around seating and storage beneath.

- Hardtop with dual hatches for ventilation and light
- Fiberglass staircase from cockpit to flybridge
- (3) Helm seat Stidd Chairs
- Wet bar with sink and bar refrigerator with ice maker on flybridge
- Teak dining table with wrap around seating
- Custom flybridge enclosure
- 24" Electri-chef electric barbecue in flybridge
- Davit: Nautical Structures HMC Davit (hydraulic rated at 1750 lbs)
- A/C at the helm

---

## Main Deck

---

The Nautical Structures hydraulic davit (rated at 1750 pounds) allows for a launching off the starboard side of the yacht. The aft flybridge offers a stainless grill and refrigerator for cooking and entertaining.

- EZ2CY Enclosure with custom door to aft deck area
- Stainless steel cleats and hawse holes
- Stainless steel anchor roller
- Stainless steel anchor light bracket
- Tempered dark tinted window glass, UV stabilized glass
- Electric stainless steel salon door to aft deck
- Watertight doors at pilothouse
- Teak bow and stern staffs
- Lighted OCEAN ALEXANDER logo
- Backlit integrated LED lettering of vessel name by YachtSign
- Aft deck shower, dock side water inlet
- (4) U-Shaped rails on swim steps, custom
- Boat deck sliding hatch
- Side boarding gates at aft deck
- Circular sink with faucet at after deck
- Teak swim platform with teak steps
- Teak deck for cockpit and side walkway to midship
- Hydraulic windlass, Maxwell VWC4000
- Stainless steel plow type anchor
- 6-Man liferaft

---

## Lower Helm

---

Forward of the galley is the lower helm station featuring a single electric Stidd helm seat for the captain. Outfitted with Furuno electronics, (3) multipurpose display screen, MTU controls, stabilizers, as well as bow and stern thrusters, the captain will have a range of state-of-the-art tools at his disposal. This comprehensive electronics suite is duplicated on the upper helm. To both port and starboard are watertight doors leading to the walkaround decks, extending the captain's visibility in tight quarters.

- Windshield defrosters
- Watertight doors to side deck
- Phantom screen with dedicated wood box for door
- Wood flooring
- Pantograph doors in pilothouse
- Wireless Yacht Controller
- Furuno electronics package
- Bow & stern thruster controls
- Stabilizer controls

---

## Electronics & Navigational Equipment

---

- Furuno Nav Net 3D
- Furuno radar
- Furuno Autopilot Navpilot 500
- Multifunction display MFDBB
- Furuno anonometer
- Mastervolt 4000W/Inverter charger
- Furuno AIS FA-50
- Furuno Sounder
- Standard VHF
- Octoplex display
- FLIR Nightvision
- X MWeather System

---

## Electrical System

---

### Lighting

- 24V Lights in all compartments
- 24V LED lights
- AC/DC Lights with anti-explosion type in engine room

### Additional Features:

- Bonding system throughout
- Shore power - 100+ 50 amp in transom with 115' cable master
- HeadHunter pressure fresh water system
- Stainless steel tank with sight gauge
- Fresh water outlet with house for engines and generators
- Fresh water washdown at bow & stern & boat deck
- 40-Gallon water heater with high density fiberglass insulation

---

## Engine Room / Mechanical Equipment

---

- Twin MTU 10V-2000 1600HP engines
- (2) Control stations: flybridge and pilothouse, with complete engine instrumentation
- Glendinning EE3 engine and thruster controls on a pop-up station located on the starboard side of the aft deck
- Delta T intake/exhaust fans
- Electric engine control
- Engine alarm system (oil & temperature)
