SPECIFICATIONS

Overview

Pristine, Kept under Cover! Available to see in Kenmore, WA. Make an Appointment!

"Coastal Dane" is a lovingly maintained classic Back Cove 29. Kept on Lake Washington currently, she cruises easily at 16-18 knots on her single 315 HP Yanmar, and is easily docked with bow and stern thrusters.

She has diesel heating in the cockpit and cabin, a hard top cockpit with Barrett enclosure for the back. Plenty of seating, or standing space for fishing and crabbing (Has a Trolling valve on the ZF Transmission, and downrigger plates).

Interior is warmly finished with a Cherry interior and an Ash overhead, for a classic New England look. The long galley has sink, electric or alcohol stove, fridge with freezer, and plenty of storage. The Settee has plenty of seating, and a varnished table that drops down to create a large berth for two.

Features Include:

- Single 315 HP Yanmar,
- Bow and Stern Thrusters,
- Diesel Heat in Cockpit and Cabin,
- Great Cabin with Full Galley, Head and Convertible Settee,
- Trolling Valve, Downrigger Plates, fishing rod holders, and lure boxes,
- Has Inverter, 40 Amp Charger and New Batteries
- Cockpit enclosure by Barrett,
- Kept Under Cover.

"Easy to own, easy to use and easy to look at, this instant classic proves less is more."

- **Yachting Magazine**

*"Even with its advanced construction, this design is a classic, Downeast beauty to behold." - **Motor Boating Magazine** DYSID:3153452*

Basic Information

Category: Cruiser

Sub Category: Downeast

Model Year: 2005

Year Built: 2005

Country: United States

Dimensions

LOA: 29' 4" (8.94m)

Beam: 10' 5" (3.17m)

Max Draft: 2' 7" (0.79m)

Clearance: 8' 2" (2.49m)

Speed, Capacities and Weight

Cruise Speed: 20 Kts. (23 MPH)

Cruise Speed RPM: 2800 Kts.

Max Speed: 29 Kts. (33 MPH)

Max Speed RPM: 3500 Kts.

Hull Material: Fiberglass

Hull Configuration: Deep Vee

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 6LP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The style of the Down East lobster boat has been closely associated with Maine's proud boat building heritage. The Back Cove 29 is a most recent example of everything that makes the Down East lobster boat a work of art. She has a traditional spoon bow and her transom is gently sloped: a style that will turn heads in any harbor she enters. Below the surface she is modern and contemporary. A deep-vee hull with prop recess and standard trim tabs offers comfort and performance. With the optional 315 horsepower, 6 cylinder diesel engine, she reaches a top end of 29 knots and will cruise very comfortably in the mid 20's. Around the docks, you will appreciate the maneuverability provided by the bow and stern thruster. Has a Hard Top with aluminum wind shield, the Back Cove 29 is practical and beautiful. She is a delight to drive and a joy to behold.

Exterior Features

- Last Wax of hull and topsides Sept 2017. Boat kept in fresh water under roof.

Helm:

- Chartplotter and Radar - Furuno NavNet Vx2 color chartplotter/depthsounder/GPS with Furuno Radar.
- VHF - Icom IC-M402 with RAM Mic
- Needle Gauges - Fuel, Oil pressure, Engine Temp, Voltage, RPM with Digital Hour Meter
- Toggle Switches - Anchor/Cockpit/Dimmer/Accessory
- Bow and Stern Thruster Joystick controls
- Trolling Valve Controls
- Windlass Controls - At Helm, with also bow switches.
- Trim Tabs - LectroTab Port/Starboard trim
- Stereo Remote - Unit down below
- Horn
- Compass, illuminated
- Pompanette captain helm seat - Adjustable Identical one across to Port, with foot support
- Storage drawers and lockers underneath Helm and Port side seats

Deck:

- Molded in contrasting anti-skid on walk surface
- Port and starboard molded steps leading to side and fore deck

- Running lights
- Anchor locker
- Bow Locker for Fenders and lines
- SS anchor roller
- Mooring cleats with skene chocks forward, aft and spring line cleats

Cockpit:

- Windshield - Clear anodized aluminum windshield with side vent panels and one front (middle) vent panel and integral handrails
- (3) Windshield wipers
- Cockpit Canvas - Hard top is enclosed in the back by Barrett canvas and Lexan enclosure that slide, and can be folded up and zipped to ceiling.
- (2) Outlets diesel heating (One outlet down in Cabin)
- (2) Cockpit Speakers
- L Settee to port with backrest. Has clip-on Padded seat and backrest, in great condition.
- Cooler storage under L Settee. Tackle storage underneath L Settee.
- Swim platform and swim ladder
- Cockpit hot/cold shower
- Self bailing cockpit
- Cockpit Lazarette
- (4) Fishing Rod Holders
- (2) Downrigger plates

Interior Features

- Interior Wood - Cherry with Ash. Varnished teak and holly sole
- Dinette with backrest cushions
- Hi Lo table with inlay
- V berth with filler cushion
- Shelves above berth
- Cedar lined hanging locker
- Reading lights in dinette/ berth area
- Overhead lighting
- (3) Stainless steel opening ports with screens
- Stereo system with CD and interior/cockpit speakers with wired remote
- Storage under Dinette and forward berth

Galley:

- Stove - Origo Alcohol/ 110V single burner
- Fridge - Front opening AC/DC with freezer compartment

- Sink - with single lever faucet and drop in cover
- Solid surface countertop
- Countertop cabinet
- Microwave built into cabinet
- Drawer and doors below counter

Head:

- Electric Head
- Electric Ventilation
- Stainless Steel sink
- 4 storage cabinets
- Hot/Cold water Shower

Electrical

- AC and DC control panel with polarity indicator
- DC system battery management switching
- DC breakers for electronics
- 110VAC 30 amp shorepower with 50 foot cord set
- Galvanic isolator
- Charger - AC to DC converter/ charger, 40amp - ProNautic 12-40P
- Inverter - 1800 Watt Sine Wave Xantrex 1800 with control panel in Cabin.
- Diesel Heating Control Panel in Cabin
- Batteries - (2) 31 DCM house batteries (Replaced May 2017)
- Batteries - (1) 31 engine start battery (Replaced May 2017)
- (2) 12VDC bilge pumps

Mechanical

- On Performance: *"We ran flat out, circled, backed and filled, and I found that she is a comfortable, well-mannered, gentlemanly boat. From the helm, visibility is terrific. A standard Side-Power bowthrustrer makes around-the-docks maneuvering easy; after all, this is only a 29-foot boat. Hydraulic trim tabs are standard.*

We carved through some turns at 3000 rpm, and the 10,000-pound boat banked easily. Running flat out, we hit 27.9 knots at 3800 rpm, but you could cruise all day at a comfortable 20.3 knots at 3000 rpm." - Yachting Magazine

- On Fuel Burn: *"The test boat was powered by a single 315-hp Yanmar diesel. According to factory tests on a Back Cove 29 rigged with the same power, the boat will burn about 10.8 gph at 3300 rpm (22 knots) for a range of*

approximately 270 nautical mile" - Motor Boating Magazine

- Engine - Yanmar 6LP 260 hp engine with ZF 63A Marine gear
- Last Oil change Aprox. June 2017
- New engine oil cooler May 2017.
- Single lever engine control
- Bow and Stern Thruster - SidePower
- Engine control panel with alarms and hour meter
- Emergency cross over switch
- Internal sea strainer. Owner added a fresh water flushing system for engine.
- 4 Blade bronze propeller
- Dripless shaft log
- Electric Trim tabs
- Hot and Cold pressurized water (110V and engine heated)
- Fuel Tank - Welded aluminum 150 gallon fuel tank with 2" fill
- Fireboy extinguisher system
- Macerator with overboard discharge

Construction - Deck and Hull

- Description from Yachting Magazine: *"She has a deep-V hull with a sharp entry; a 22-degree deadrise amidships leads to 16 degrees at the transom. A shallow prop pocket means the engine is mounted low for good balance and center of gravity, and a draft of only 21/2 feet. The boat is as solid as they come; the hull is vacuum-bagged Divynycell core with multi-axial E-glass reinforcement and encapsulated foam stringers. The deck is cored with balsa."*
- Last Bottom Paint & Zincs August 2017
- Advanced prop pocket hull design
- Gelcoat - Back Cove Navy iso-npg
- Vinylester backup resin
- Vacuum bagged divynicell core in running surfaces
- Multiaxial E glass reinforcement
- Awl-grip boot top
- Encapsulated foam stringers

Exclusions

Owner's personal belongings.
