DETAILED INFORMATION

ACCOMMODATIONS

As you enter the side sliding deck doors, you notice the open and airy large salon and the natural light and balmy breeze pouring in thru the large screened sliding windows. The salon is equipped with an L-shaped settee, dinette table with stools, settee port side and a fully equipped helm station. Forward and down, you will find the galley to port, head and shower to starboard and a nice size guest cabin forward. Aft and down from the salon, the companionway has a built in washer-dryer combo and an ice maker. The full beam width aft master stateroom has twin beds, large dresser and an ensuite head with an enclosed stand-up shower. The aft deck is large and will hold a large group of friends or family. The flybridge is two steps above the aft deck, equipped with a helm chair, companion chair and a full compliment of electronics. Plenty of bench seating with storage below. The bench seating cushions are all new and they are stored inside.

BROKERS REMARKS

Kia Ora has proven to be a great long range trawler-cruiser. Owned and lived aboard for 15 years by her previous owners. Engines, generator and transmissions have been serviced regularly. Ocean Alexander put a premium on an abundant amount of built-in storage throughout the vessel unlike any other vessel this size. Just about everything with a cushion on it has storage below. Joinery is superb throughout. Guests in the forward V-berth cabin for a week or weekend, will have their own head and shower opposite the galley. The full beam width owners cabin is completely aft, allowing complete privacy for everyone. Carpeting in the main areas looks new. The aft deck is large and will compliment a large group of friends for entertaining. A great area for reading the paper and coffee in the morning, sunsets and cocktails in the evening.

TRAVEL HISTORY

Previous owners have spent most of their time every summer cruising the Bahamas from the Northern Abacos down to Georgetown. In recent years it has been mostly the Abacos, they enjoy the most. In between, they have gone across Lake Okeechobee and up the West coast of Florida and down to the Florida Keys. Cruised the beautiful St. Johns River on several occasions, seeing lots of wildlife and meeting many wonderful friends. This is a wonderful boat for the ICW and exploring the Chesapeake Bay. She could also do the Great Loop route in comfort. In most years, they had friends spend a month at a time with them. KIA ORA is a great boat for entertaining, with its ample room and storage, allowing guests to relax and enjoy with us.

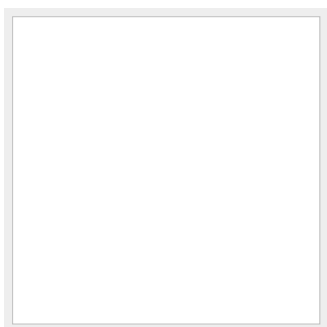

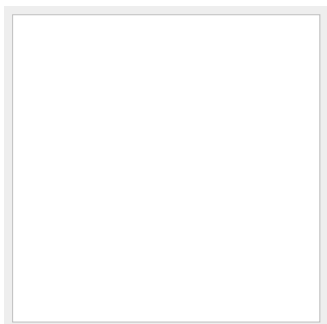

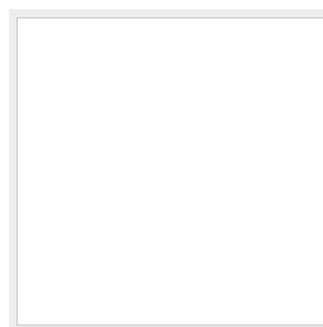

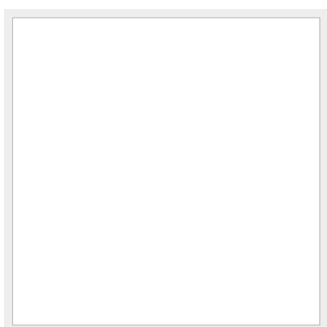

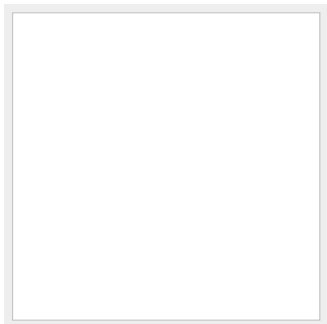

Exclusions
