## Overview

---

The Ferretti Altura 690 evokes a successful and innovative yacht building strategy that has shaped the history of motor yachts worldwide. The comfort above all, provided by plenty of space made it perfect, a sort of second home like feeling on board, ideal for cruising the Med.

Built in 2008, this Ferretti Altura 690 is immaculately presented. Designed for six guests in three en-suite cabins (plus a crew of two) the main double cabin with large picture window is at the stern, a double VIP in the bow, with an additional twin guest cabin. The flybridge is this yacht's highlight and has seating, dining and generous sunbathing areas. Another highlight, there is also substantial dining and sunbathing space on the bow. Many extras include zero speed stabilizers, underwater lighting and electric curtains. Suitable for mid- to long-range cruising, this is one of the finest examples of a Ferretti Altura 690 on the market.
