SPECIFICATIONS

Overview

Nicole Ashley is well kept, being stored under cover and out of the water at the owners personal dock.

This vessel has a solid fiberglass hull with quiet operation. The vessel can cruise at 25-30 kts. and top out at around 45 kts.

Nicole Ashley is loads of fun for a family outing! The vessel is equipped with a 12,000 BTU AC and heating unit with a 5 KW Kohler genset with very low hours. The very large swim platform provides easy access to the water for swimming, diving or a great platform for fishing.

The Galley will keep you a well fed and happy crew!

This vessel is equipped with everything necessary for safe and accurate navigation with easily understandable Garmin Chart Plotter.

Please see the full specs. with many high definition photo's and video of Nicole Ashley!

Manufacturer Provided Description The dramatic, flowing silhouette of the 3060 Window Express is clearly of the Regal Yacht bloodline. Unmistakable are the rake of the bow and the graceful aft sweep of the arch. Large port and starboard cat-eye windows and sharply angled forward windows pour an abundance of natural light into the salon. The bright and airy interior is also spacious. The mid-cabin (usually reserved for children or storage) is large enough to be the master stateroom. More space, more light, and to complete the perfect 30, pulse-pounding performance.

Regal 3060 Express Cruiser
