SPECIFICATIONS

Overview

Another design from Roman designer Marco Casali for Canados, the conceptual idea of the 822 Gladiator took our designer and technical office months of work, calculations and researches. The aim was to create what we see as the most versatile sport yacht ever on the market. The 822 Gladiator perfectly illustrates Frank Lloyd Wright's famous saying "Form follows function - that has been misunderstood. Form and function should be one, joined in a spiritual union." For more information, call us today!

Basic Information

Category: Motor Yacht

Model Year: 2018

Year Built: 2018

Country: United States

Dimensions

LOA: 82' 0" (24.99m)

Speed, Capacities and Weight

Cruise Speed: 30 Kts. (35 MPH)

Max Speed: 38 Kts. (44 MPH)

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MAN

Model: V 12

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Style, performances and versatility

The luxury feeling is strengthened by the total absence of visible deck hardware as cleats and winches are hidden in their own storage. Even the “inevitable” Seabobs® are hidden in side garages. The saloon glass door is divided in three panels. To port, the vertical panel slides down to transform the area into an outdoor bar while the two vertical panels slide to starboard.

Like on every Canados build yacht, we offer a suggested layout, but the end choice is yours as everything is custom built in-house. Our standard offering for the main deck comes in two versions with either two side gigantic sofas or with two sofas on starboard and a dining area with loose seats. In both cases, the crew tasks will be conducted without interference with guests as access to the galley, crew quarters and engine room is hidden behind the bar. Further to the front, the helm station with its panto-graph side door opens to the side deck while on the opposite, a dinette with a lounge seat have been integrated for the “run-it-yourself” kind of owners, so they can be at the helm while socializing with family and friends.

One of the signature and uniqueness of the 822 Gladiator is the laminated glass windshield made of three panels. The central panel opens up allowing guests to access the fore deck and its integrated sun pad and dinettes. With this feature, when at anchor, you can open up the windshield and enjoy a natural flow of breeze inside the main deck.

Exclusions

Owner's personal belongings.
