- 2 Marine Air reverse cycle air conditioning units with digital controls: one in forward cabin under V-berth; one under aft dinette table, starboard)
- Helm air conditioning

Comments

The 4000 Express, first introduced in 1994, was Tiara's first mid-cabin design built. Wide open cockpit made this model very popular with the fisherman in the family as it was a perfect combination for fishing and cruising.

LADY SIGRID was hauled out for fresh bottom paint and prop speed, and waxed in April 2017. She has been well maintained and is ready for new adventures with a new owner!

Exclusions

Owner's personal belongings.
