Displacement: 30000 Pounds

Fuel Capacity: 400 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QsC 8.3

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

40' Custom 1983/2015

RAPTOR'S refit started in 2013 and continued until 2015. She has many upgrades including re-power with Cummins QSC 8.3, new tower, electronics, teak covering boards, SAT TV, underwater lights, new A/C units and new interior.

G & S Boats owned and built by Buddy Gentry and Steve Sauer in Destin Florida are known as the best boats in the world to fish from for world records. Their unique engineering and design make them the masters of maneuverability for pursuing light tackle records.

The famous RAPTOR has made quite a name for herself. Having caught many different billfish in her career, she is most widely famous for her numerous giant Bluefin Tuna captures. Captained for many years by Peter B Wright, chasing tuna every year in Cat Cay or fishing Cape Hatteras during the Tag A Giant years, she holds quite a few impressive records. In the mid to late 90's, Peter B Wright, Gary Stuve, Scott Levin and John Rafter captured and tagged hundreds of giant Bluefin tuna with many days of 30 plus fish per day! Stewart Campbell with his "dream team" Peter B Wright, Gary Stuve, Charles Perry, Charlie Hayden and John Rafter captured and released 73 Giant Bluefin tuna in one day!

Vessel Walkthrough

ACCOMMODATIONS

- Port Queen
- V Berth
- Head
