DETAILED INFORMATION

Overview

YAPA is a center console with a walkaround deck providing generous deck outdoor space. She is a well-suited yacht for families with children or groups of friends. Boasting single level teak deck with deep bulwarks, this walkaround yacht offers a gorgeous aft sunbathing area that provides effortless access to the swimming platform. It can be easily covered with additional sun awning, providing a shaded area when needed. The awning is secured by two carbon poles set into the bulwark. The hydraulic gangway doubles as a swim ladder and provides an easy access in and out of the sea. There is custom-made anchor that operates with a hidden push button from the dashboard. YAPA offers the possibility for alfresco dining with a table seating up to eight guests. There is an open kitchen with appliances to prepare meals on deck. Midship layout is carefully designed to make sure that guests can interact regardless of whether they are at helm or cooking. The interior boasts lovely teak flooring, leather wall panels and lacquered surfaces, resulting in a warm and inviting ambiance. The salon has custom-made sofa white leather trim. It can be converted into a double berth for additional overnight guests, if required. Cabins have a generous storage space with a selection of lighting options.
