# ХАРАКТЕРИСТИКИ

## Обзор

IRRESISTIBLE TOO has been lightly used with only 160 hours on the engines & 300 hours on the generators with transferable extended engine & generator warranties.

The captain has painstakingly eliminated all of the kinks onboard so she is essentially a brand new yacht with no headaches.

The owner had planned on cruising the Mediterranean so she features A/Sea Shore Power converters & a Besenzoni passerelle assuring she can safely dock and plug into any marina in the world.

Original MSRP was close to \$12m so IRRESISTIBLE TOO offers a major discount versus a comparable new Ocean Alexander 100 with similar options.
