# ПОДРОБНОЕ ОПИСАНИЕ

## Vessel Information

RISKY WATERS (a 1997 Lazzara 80) truly offers something for everyone. From the 5 large staterooms with en-suite heads, to the oversized full beam main salon and large family country kitchen the interior accommodation space is impossible to duplicate on a yacht this size.

Not content to stay inside the outdoor fun is never ending on RISKY WATERS. The yacht comes with both a tender and a Sea Doo personal watercraft, both stored on the aft flybridge section. The transom cockpit is capable of serious sportfishing and diving. Or you can use the space to store paddle boards, kayaks and more.

The outdoor spaces are endless, from the large aft deck with new teak tables, to the aft flybridge bartop table with 3 stainless stools, RISKY WATERS affords you the very best in outdoor entertainment.

Don't miss this opportunity to own a pedigree yacht, with recent upgrades at a value price.

### RECENT UPGRADES

- New Aft Deck Table
- New Wood Floors in Main Salon
- New Electronics
- New TV's
- New Appliances
- Custom Skylounge aft bar top with three bar stools
- Tender with Honda outboard
- SeaDoo Jetski

### Vessel Walkthrough

This Lazzara 80' features a master stateroom and two VIP staterooms located amidships with two additional cabins forward that can be used for guests or crew. The Skylounge has an automatic reclining sleeper sofa. Each stateroom onboard has a full ensuite head. A dayhead is conveniently located on the starboard side of the vessel between the salon and galley.

The main salon is a large and beautifully appointed area with formal dining accommodations and a large U shaped sofa with a coffee table to port and a sofa to starboard, built in counters with cabinet storage below are on all sides. The aft starboard corner features a custom wood entertainment center with flat screen TV and A/V equipment.

Located between the salon and galley is a beautiful buffet area with china, bottle and glass storage.

The large spacious galley features a new full size refrigerator, new dishwasher, new trash compactor and richly appointed features usually reserved for much larger vessels. The open layout is great for entertaining and conversing with guests seated at the large L-shaped dinette table forward of the galley nestled below the large forward house windows. Port and starboard wing doors offer perfect access to the bow for sunbathing and lounging. Forward of the galley and dinette area is the study and additional guest or crew accommodations. Equipped with a large desk/office area and private laundry facilities, two heads and two staterooms with sleeping for four, this area is completely isolated from the owner and guest staterooms.

Located on the starboard side of the forward salon, a spiral staircase leads down to a very large landing area accessing the master stateroom aft and two very comfortable VIP staterooms forward. The landing area houses an additional refrigerator, washer/dryer, huge storage spaces and closets.

The Master Suite is luxuriously appointed and very spacious and comfortable. This inviting space is the perfect getaway after a fun filled day. There are full size his and her dressers, night stands and chairs on both sides of the very large king size berth. Ample storage and a huge walk-in closet leave plenty of space for all the clothing and apparel an owner could ask for. The bulkhead in front of the bed houses a TV and entertainment system.

The master head is very large and features a huge Jacuzzi tub/shower, freshwater toilet, dual vanity, linen closet, marble flooring and countertops.

Forward of the landing area are the two large VIP staterooms, each with spacious ensuite head. Each stateroom offers a queen size berth, generous drawer and closet storage and TV's with entertainment systems.

The Skylounge, accessed via a staircase from the galley/dinette area is an inviting space with convertible sofa sleeper, pop-up TV, entertainment system and sliding door accessing the aft boat deck. Walking aft outside onto the boat deck, the vessel houses two 1100# cranes ingeniously integrated as part of the cabin sides. A large hard-bottom center console RIB and wave runner. An electric grill, sink and seating area with table offers another great outdoor space.

The lower aft deck features a wet bar, seating area, and tables to both port and

starboard. Access to the salon is via a sliding stainless steel frame door.

The cockpit is located down a staircase from the lower aft deck and features all the fishing amenities of a sport fisher. Rod holders, fighting chair, bait well, huge fish boxes, etc. While you can relax and lounge in total comfort and luxury almost anywhere on this beautiful yacht, the cockpit is reserved and set up for fishing action and on the water fun! PILOTHOUSE

- Bow thruster controls
- Electric sub panel for bridge equipment and electronics
