SPECIFICATIONS

Overview

This boat represents an opportunity to own a classic 42' Bertram that has had numerous upgrades over the last several years, including both engines having major overhaul 250 hours ago. This vessel has been well maintained by her current owner. The 42' Bertram just might be the most successful blue water convertible ever built. Her deep v-hull is legendary when it comes to sea keeping ability. Her reputation as a "fish raising" boat is second to none. She is the ideal boat for individual ownerships or would be a great addition for any charter boat.

Basic Information

Category: Convertible

Sub Category: Sport Fisherman
