SPECIFICATIONS

Overview

Here is a fantastic opportunity to own a composite Dragos 24m power vessel.

Fastidiously maintained by her western captain this vessel certainly needs to be viewed to be appreciated.

Her 4 cabin set up is quite unique in that her generous master and ensuite is set aft and away from the guest cabins offering the owner complete privacy. There is also a small crew cabin set aft.

The salon and galley on the main deck flows beautifully out on the aft cock pit which is graced by new teak. This is also a great entertaining area on one level which would be suited to both charter and spacious private use.

The fly bridge is amazing and features BBQ, wet bar and an excellent bimini for the tropics also adorned with beautiful teak decks.

On the main deck, the aft cockpit, swim platform and side decks are also laid with teak.

Powered by 1050 HP MAN engines and boasting twin gensets for redundancy her engine room looks like it has been maintained well because it has.

A recent refit and new painting sees the Dragos 24m presented beautifully and ready to set sail.

For a full specification or to make an appointment to view the Dragos 24 m please contact us today.

- Electric windlass
- Air Conditioning
- Auto Pilot
- VHF radio
- Generator
