SPECIFICATIONS

Overview

This beautiful green hulled Selene attracts attention at every port. Step aboard into a well thought out design for comfort whether making an ocean passage or living aboard. After delivery, she is cruised up the inside passage to Alaska and then down the West coast to Baja peninsula eventually ending up in the Southeast United States. She just recently completed a voyage up the East coast and then back down to the Bahamas. The boat has been meticulously maintained. Some of the options selected by this owner include Wesmar 7.5 s.f. stabilizers, Yanmar 56 hp get home engine with folding prop, Apex 12'6" RIB with 40 hp Yamaha, Airtex 600 kg davit and much more. The commissary has an 8-cu. ft. freezer, wine locker, lockers for canned and paper goods and a great place for those suitcases your guests will bring. Second stairway access to the master stateroom give guests privacy. Custom pantry doubles storage in galley. Full-size separate washer and dryer are a must for luxury cruising. Heated towel bars in heads keep towels always dry and warm. Beauty, comfort, and safety define Selene yachts.
