# SPECIFICATIONS

---

## Overview

---

CADIZ is a clean and well equipped example of Tiara's 41 Open model with a half tower added. Her spacious ash interior and generous overhead hatches provides a comfortable living area. In addition to the forward queen-size berth stateroom, the salon settee converts to an additional sleeping area. Her lower helm/bridge deck offers comfortable seating with additional seating in the 100 square foot cockpit. Her transom door, swim platform and boarding ladder provide easy access to water activities. The custom tower by Tower Masters features sturdy construction, access to tower helm on both sides, comfortable cushioned seating, fiberglass top, ample instrumentation and a very well thought out fiberglass tower base that incorporates many features. With her reliable low hour Caterpillar diesels CADIZ would provide comfort to anyone cruising or fishing in Florida, the East coast or the Bahamas.
