## Overview

---

"Business Machine Internationale" is a Euro-styled express cruiser with a Class A "Ocean" rating - designed for serious offshore cruising.

This yacht was designed by renowned naval architect, Donald Blount. It has twin 480-hp Cummins Diesel propulsion packaged with Zeus pods. This 47' is fully loaded with absolutely every option possible. Easily sleeps 5-6 people. The boat has thermostat-controlled air conditioning and heating throughout, 2 full staterooms, 2 heads with full showers, and a well-appointed galley. The aft stateroom has twin beds with vanity and sink and a plasma TV/DVD, while the main stateroom has a full queen bed with a Bose surround sound system and a plasma TV.

The galley has 2 Vitrefrigo drawer fridge/freezers, a retractable microwave, range hood fan, ample storage for kitchen items, detailed accent lighting and sports a Bose Life System surround sound/DVD system connected to a Samsung Plasma TV. For convenience, the sofa converts to a bed for additional sleeping. Additional convenience items include a lighted wine rack/storage and custom serving utensil storage, which is stocked with customized Cobalt dishes, silverware, and wine glasses.

The cockpit is ready for outdoor parties: Its full wet bar includes a BBQ grill and 3rd refrigerator/freezer, next to the cockpit dinette seating area that comfortably fits six. Further sunbathing areas include the bow deck, with bow sun pads. The cockpit empties out onto a full-sized, teak-lined remote-control hydraulic swim platform, allowing easy access to the water or simple management of your tender or jet ski. For added convenience, there is a hot/cold fresh water shower for rinsing off after bathing, and underwater lights for night swimming. Additional highlights include maintenance free granite counters throughout the entire boat, a full teak flooring package in cockpit/swim platform makes for easy maintenance/safe footing, a dual-filter freshwater system assuring you clean hot and cold water, and 3-color LED cockpit lighting for a variety of environments.

Rounding out the amenities at the helm and throughout the boat are the Skyhook/Autopilot system & Cummins Vessel View, Dual Screen 6100i Northstar GPS/Radar/Plotter, KVH Satellite TV system, radar, touchpad lighting and thermostats throughout, a remote-control windlass, custom canvas covers for a cool bug-free cockpit, a Cummins emergency tool kit and a more than ample Coast Guard package.

The 47 Cobalt Express Cruiser is a simply stunning boat with gorgeous lines coupled with the high quality and attention to detail that has made Cobalt famous. The boat comes truly fully loaded for all and ready to go, with everything you need for a weekend at sea.

True connoisseurs will immediately recognize the solid handling and smooth riding Cobalt hull through a range of wave heights, the quality and the level of amenities together with the quiet nature of the boat's ride!

This is a unique vessel - it is the only one in the Pacific Northwest, as well as being the cleanest, most well-maintained 47' boat, PERIOD! Updates include:

- Full Fusion stereo upgrade with 4 speakers in the hard top & 2 speakers for the swim platform. Fusion stereo (UD750) w/ Fusion remote at the helm. Subwoofer under the seat; Fusion SG-DA41400 4 channel Amp.
- Full updated LED deck lighting in cockpit & swim platform (Yukon LED, warm)
- EPIRB
- Upgraded VHF (Garmin) GHS-10/VHF 300
- Full ship-to-shore wifi system; RoguePro Wifi, Ubiquiti Edge Router & Ubiquiti AC Lite AP
- Custom helm chair
- New batteries in 2015 (8 x AGM)
- Replaced all seawater hoses in 2015
- Custom flag poles at bow & stern
- Updated GPS 400 antenna
- Custom storage box on helm
- Full custom enclosure
